NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible as shown at page 720 of the Queen's Regulations and Admiralty Instructions of 1888.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign :—

(*a.*) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b.*) If the number of Naval Reserve men on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of Her Majesty's Ships, or by some unavoidable casualty.

(*c.*) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(*d.*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant, the Blue Ensign should be seized and the case reported to the Admiralty.

MEMORANDUM.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

HALF-PAY. *Admiralty, 14th June* 1871.

1. My Lords are pleased to direct that in future every Officer entitled to Half-pay shall, without application on his part, be placed on the Half-pay List as soon as his Full-pay ceases, and his accounts are clear.

2. Commanding Officers of Her Majesty's Ships are to transmit to the Accountant-General of the Navy and Comptroller of Navy Pay, immediately that either they or any of the Officers under their command, are discharged to Half-pay, one of the returns herein-after specified, and headed respectively "(A) Foreign Service," "(B) Home Service."

3. The Form already required to be furnshed, and specified at page 175 (Appendix) of the Addenda (1868) to the Admiralty Instructions, will suffice for Officers returning to Half-pay from Foreign Service, amended as per specimen annexed and marked A.

4. 2. Cases in which the absence from England is less than one year, or more than five years, will be specially dealt with by their Lordships when circumstances, in their opinion, warrant the extension of some special indulgence to an Officer returning to England after such absence.

Staff-Captains, Staff-Commanders, and Navigating Lieutenants, whatever their rank and seniority may be, are in all matters of command, and in all details relating to the duties of the Fleet, and to the discipline and interior economy of Her Majesty's Ships, to be held subject to the authority of any Officer, not below the rank of Lieutenant, who may be in charge of the executive duties of the Ship, or in charge of any other special service or duty, of whatever seniority such Officer may be.

They will be required to take a share in the ordinary duties of their Ships, such as watch-keeping, acting as Divisional Officers, as in the case of Gunnery Lieutenants. All Officers of the same denomination in the Military Branch shall rank and command according to the order in which their names stand in the Official List of Officers of the Royal Navy; or, when not inserted in the List, according to the dates of their first Commissions, Warrants, or Orders, in their existing rank; and, if acting only, according to the seniority of their respective acting appointments; but Commanders and Lieutenants serving in a Ship bearing the Flag of a Senior Flag Officer present, or the Broad Pendant of a Commodore of the First Class, being the Senior Officer present, or in the Ship of the Senior Officer of five or more Ships present, shall, when in the presence of, or acting under the immediate order from, such Senior Flag Officer or Commodore, or Senior Officer of five or more ships present, and detached on service in company with other Commanders, and Lieutenants of the Fleet or Squadron present, take rank and command respectively of all other Commanders and Lieutenants. Under all other circumstances, Commanders and Lieutenants of Flag Ships, as well as those of other Ships, will take rank only according to their proper seniority.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE QUEEN'S REGULATIONS.—1887.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, except when the relative rank is dependent on the attainment of seniority or completion of service, in which case it shall take effect from such attainment of seniority or completion of service in the particular rank:—

(For Table, *as modified by Order in Council of 17th February* 1886, *see* p. 494.)

Nothing contained in these regulations is to give a claim to any Officer of the Navy to assume command of Her Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of Her Majesty's squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government in England for any particular Service.: But when Officers of the Navy are employed on shore, on joint service with Her Majesty's Land Forces, their relative rank shall carry with it all predecence and advantages attaching to the rank with which it corresponds (except command as aforesaid), and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

Under the regulations formerly in force, the precedence of the Officer in command of Her Majesty's Forces in any Colony, was dependent on the question whether or not he was entitled to administer the Government of the Colony in the absence of the Governor. But the alteration of circumstances has rendered this arrangement in some cases inconvenient or anomalous, therefore it is Her Majesty's pleasure that the following rules be now observed in the Colonies in regard to the precedency of Military and Naval Officers in command of Her Majesty's Forces:—

a. The Senior Officer in command of the troops, if of the rank of a General, and the Officer in command of Her Majesty's Naval Forces on the Station, if of the rank of an Admiral, are to have precedency next after the Governor, their own relative rank being determined by the Queen's Regulations on that subject.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of Her Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the Queen's Regulations on that subject.

c. If below the rank of Colonel or Lieutenant-Colonel, the Senior Officer in command of the Troops, and the Officer in command of Her Majesty's Naval Forces on the Station, are to continue to take rank, as has heretofore been the case next after the Solicitor-General.

UNIFORM REGULATIONS.

Admiralty, 7 May 1879.

In pursuance of Her Majesty's pleasure, the following are the descriptions of the Uniform to be worn by the Officers, Petty Officers, Seamen, and Boys of the Royal Navy.

By command of their Lordships,

ROBERT HALL.

EXTRACTS FROM THE QUEEN'S REGULATIONS AND ADMIRALTY INSTRUCTIONS.

FROM CHAP. II.—CEREMONIES AND DISTINCTIONS.

§ XV.—UNIFORM.

Uniform.

105. The Officers, Men, and Boys of Her Majesty's Fleet and the Royal Marines shall wear such Uniform as the Admiralty shall, in pursuance of Her Majesty's pleasure, from time to time direct, and of which the description will be published.*

When to be Worn.

106. Every Officer, from the time of his joining the Fleet, Squadron, or Ship to which he shall be appointed, to that of his being removed from it, shall wear the Uniform established for his rank, except when he shall have leave from the Admiralty or the Senior Officer to be absent from his duty, or as hereinafter provided.

Plain Clothes.

2. Permission may be given to the Officers to wear plain clothes on ordinary leave; but at Reviews, Public Balls, or Entertainments given by Naval or Military Authorities, by Civil Functionaries, or by Military Messes at ports at which their Ships may be lying, Officers are to wear the Uniform of their rank.

Subordinate Officers.

3. Subordinate Officers when on ordinary leave are to wear the Uniform of their ranks; but permission may be granted to them to wear plain clothes when going into the country, or to ride, shoot, play cricket, or for exercise.

Foreign Ports.

4. In Foreign Ports great discretion should be exercised in allowing Officers to appear out of Uniform, as in such cases they can have no right to expect to be recognised as British Officers.

Full Dress.

107. Full dress is always to be worn on State occasions, whether at home or abroad, by all Naval and Marine Officers.

Undress.

108. Undress is to be worn when visits of ceremony are being exchanged on arrival at Foreign Ports, or when meeting Foreign Officers or other Foreign Functionaries, and also at Courts Martial, at Funerals, and upon all other occasions of ceremony when full dress is not described. Marine Officers are on these occasions to wear their full dress.

Morning Dress.

109. Morning dress, that is, the frock coat and sword, is to be worn on ordinary occasions, such as waiting upon Superior Officers, Surveys, and Examinations. Marine Officers on these occasions are to wear their undress.

Boarding Officers.

110. Officers boarding Foreign Ships of War are to wear their undress uniform, cocked hats, epaulettes, and side arms; when boarding other vessels frock coats and side arms.

Other Occasions.

111. On other occasions not specially provided for, the Commander-in-Chief or the Senior Officer on the spot will regulate the Uniform to be worn.

Officers and Men to be in the same Colour.

112. Officers employed afloat are to wear white or blue trowsers as may be directed by the Senior Officer but on all occasions they are to be in the same colour as the men; this rule does not, however, apply when the men are in white working dress.

Cocked Hats and Side Arms.

113. All Naval Officers, when on shore, or when on duty, in full dress, or in undress coat with epaulettes, are to wear the cocked hat and sword of their respective ranks.

Mourning.

114. On all occasions of mourning, Officers are to wear a piece of black crape round the left arm above the elbow, and no other mark of mourning is ever to be worn unless specially ordered. Men may wear bands of black silk or crape, 2½ inches wide, on the left arms above the marks of distinction.

Officers on Retired and Reserved Lists.

115. Officers on the Retired and on the Reserved Lists, whose names appear on the Lists of the Navy, are permitted to wear the Uniform of their respective ranks on State and other occasions of ceremony.

§ XVII.—WEARING DECORATIONS AND MEDALS.

Decorations and Medals how to be worn.

125. Her Majesty approves of the following Regulations as to wearing Decorations and Medals:—

a. Decorations and medals are to be worn in full dress.

b. Miniature orders and medals, or ribbons only, may be worn by officers in the undress uniform.

c. Decorations and medals are to be worn on the left breast, in a single horizontal line, suspended from a single bar, placed on a line one inch below the point of the shoulder, but no part of the bar or buckle is to be seen.

d. The buckle of the Companionship of the Bath, however, being part of the decoration, is to be shown.

e. The ribbon is not to exceed one inch in length, unless the number of clasps requires it to be longer.

f. The ribbon of the Badges of Knights Commanders of the Orders of the Bath, the Star of India, and of St. Michael and St. George is to be worn inside the collar of the coat, the "Badge" being suspended two inches below the lower edge of the collar.

g. When the decorations and medals cannot, on account of the number, be suspended from the bar so as to be fully seen, they are to overlap.

h. Medals will be worn in the order of the dates on which they were conferred, the first decoration or medal obtained being placed farthest from the shoulder

* A description of the uniform to be worn by the Officers and men of the Fleet will be published from time to time in the Navy List.

(For the information of Parents and Guardians.)

1. The Naval Cadets who join the "Britannia" are allowed four terms—two in each year—to complete their course of study:—at the expiration of which they go up for final examination.

2. The terms are from about the 1st February to the 15th July, and from about the 31st August to the 20th December; and the vacations will be six weeks at Midsummer, five weeks at Christmas, and two weeks at Easter; the dates of commencement of vacations

3. The friends of the Cadets must be prepared to receive them during all the vacations.

4. The following payment will be required from the Parents or Guardians of each Cadet while in the "Britannia," as a contribution towards the cost of his education :—

Before the commencement of each term, £37 10*s.*; except in the case of those received at the reduced rate of 40*l.* a year, whose half-yearly payments will be 20*l.* only. Claims will be made upon the parents or guardians by the Accountant-General of the Navy for these sums as they become due, and the money should be at once remitted. In the event of non-payment, although the Cadets will not be refused admission into the Ship while their friends are being communicated with, they will not be considered as entered for tuition until the amounts have been received.

5. In addition to the above payments, any expenses incurred by a Cadet for clothing, books, &c., as well as the allowance of 1*s.* a week paid as pocket-money, will be included in the personal account sent in to the Parent from the Ship at the end of each term. The personal expenses incurred by the Cadet for washing, repairing boots and clothes, hair-cutting, &c., will also be charged to the Parent.

Captains of Cadets are paid 2*s.* and Chief Captains 2*s.* 6*d.* a week pocket-money, but of this sum only the ordinary allowance of 1*s.* will be charged to the Cadet.

6. All travelling expenses for Cadets will be advanced by the Paymaster of the "Britannia," who will charge the sum to the Cadet's personal account.

7. Since the Cadets will have a weekly allowance paid to them as pocket-money, and as an amount is allowed by the Government to pay the expenses attending their amusements, it is requested that their friends do not give them any money except on joining or on their return from the Vacations, and then the amount must not exceed Ten Shillings. It is particularly requested that this Regulation be adhered to. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain of the "Britannia."

8. It is particularly requested that the Cadets bring their Linen clean, and Clothes and Boots in good order, when they join the ship, and also when they return from leave, and that the outfit, as required, be complete.

9. Cadets are not permitted to open an account with Tradesmen. Parents and Guardians are therefore requested to pay no bills that may be sent them.

10. Every Cadet on returning to the "Britannia" after the vacations will be required to produce a health certificate—signed by his parent or guardian, *not earlier than the day before his return to the Ship*—to the effect that, so far as is known to his Parent or Guardian, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease has existed. A certificate, drawn up in the necessary Form, will be given to each Cadet before he proceeds on leave, and failure on his part to produce this certificate, duly filled up and signed, on his return to the "Britannia," will entail the possibility of his being isolated for observation before being allowed to resume his duties with the other Cadets.

11. All letters relative to the Cadets should be addressed as follows :—"The Commanding Officer, H.M.S. 'Britannia,' Dartmouth."

12. Should Cadets bring valuable Gold Watches or Chains with them to the Training Ship, they will be taken from them and placed in security until they return to their homes. Silver Watches will be allowed to be used.

13. Parents or Guardians of Cadets must, in all cases of permanent change of residence, communicate the same to the Captain of the Training Ship, without delay.

By Command of their Lordships,

EVAN MACGREGOR.

19. No further additions to be made to the List of Reserved Flag Officers.

20. The new requirements of service for promotion not to be enforced with regard to Commanders and Lieutenants now on the Active List, who are at the present time qualified by service for promotion under the old Regulations.

21. Such Commanders and Lieutenants now on the Active List, as are not at the present time qualified by service for promotion, will be promoted under the new Regulations.

22. All Commanders and Lieutenants now on the Active List, who may be retired under the provisions of this scheme, to be allowed the option of retiring on the terms of the new Regulations, or on the retired scale provided by Her Majesty's Orders in Council of 1st August 1860, 9th July 1864, and 24th March 1866. In either case, however, they will be retired at the respective ages of 50 and 45, or when they have not served for 5 years, but they will retain their present privelege as to rising in rank.

[See Order in Council of 21st July 1876, as to promotion of Commanders on attaing 15 years' seniority.]

23. The advantages conferred by the Order in Council of 26th June 1867, on some of the reserved Captains (F. G. List) to be extended to all such Captains; these Officers to be placed, according to seniority, as vacancies occur, on the Retired List, under Orders in Council of 24th April 1847, 25th June 1851, and 26th June 1867: and to rise to Flag Rank according to their seniority as Captain.

24. Until the present Active Lists shall have been reduced to the proposed numbers, any Officers may, with their consent, and at our discretion, be retired; if above 40 years of age, on the terms of the new Regulations, if under 40 years of age, on the active half-pay of their rank. [Extended as regards Lieutenants by Order in Council 29th November 1879.]

All present Rules and Regulations, except in so far as they are expressly altered or limited by these General or Temporary Provisions, shall be deemed to remain in force.

SERVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight,

The 4th day of August 1873.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August 1873, in the words following, viz.:—

"Whereas in your Majesty's Order in Council of 22nd February 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's Fleet, clause six of section two appoints as follows:—

"'Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion.'

"And whereas we are of opinion that this condition may be modified, we humbly propose to Your Majesty that the clause above recited be cancelled, and the following substituted:—

"'Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of retired Rear-Admiral if they have served three years as Captain in command of a Ship of War at sea.'"

[See Order in Council, 4th August 1875, cancelling this.]

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—

"'To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea. Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired.'

"And whereas in section five which defines 'Harbour Service,' clause two contains the following sub-clause:—

"'(*a*) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service.'

"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunnery Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.

"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause

of the fifth section of Your Majesty's said Order in Counil be cancelled and the following sub-clause substituted :—

"(*a*) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions :—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at Sea.

"This shall not apply to any Officer who retired before 1st August 1873.

"3. Service subsequent to 1st August, 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at sea."

[Under this power Tenders to First Reserve Ships have been allowed to count as service in a ship of War at sea.

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

ORDER IN COUNCIL. No. 22.—C.W.

At the Court at Windsor,

The 4th day of December 1878.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd December 1878, in the words following, viz. —

"Whereas by clause eight, section one, of Your Majesty's Order in Council of 22nd February 1870, it is established that—

"'Rear-Admirals shall not be eligible for promotion to the rank of Vice-Admiral on the Active List until they have completed one years' Sea Service, or its equivalent in Harbour Service as Flag Officer; but such officers as arrive at their turn for promotion without having completed the qualifying service, and not having attained the age for retirement, to remain on the Active List until qualified for promotion, or until retired; if promoted, to take rank according to former seniority.'

"And whereas Your Majesty's subsequent Order in Council of 5th August 1875, with a view to providing temporarily for a more uniform flow of advancement to the ranks of Flag Officer, Captain, Commander, and Lieutenant in Your Majesty's Navy, authorised an increase, by 10, of the number of Rear-Admirals as laid down in the Order in Council of 22nd February 1870, by which increase, in consequence of the limited number of appointments open to that rank, it is rendered impossible to provide for every Officer obtaining the necessary qualifying service before he arrives at his turn for promotion;—We do most humbly submit that, in order to avoid the necessity of passing over Officers who are, in other respects, well qualified for advancement. We be empowered to cancel the before recited clause of Your Majesty's Order in Council of 22nd February 1870, and to supplement the powers conferred by the same Order in Council so far as refers to the compulsory retirement of Admirals and Vice-Admirals by the following provision, viz. :—

"'Flag Officers who have not hoisted their flags, as Flag Officers, to be retired at the age of 60.'

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the cost of this proposal."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

PROMOTION OF FLAG OFFICERS, CAPTAINS, COMMANDERS, AND LIEUTENANTS, AND RETIREMENT OF SUB-LIEUTENANTS.

[These provisions are modified by Order in Council, 4th August 1875.]

At the Court at Osborne House, Isle of Wight,

The 5th day of February 1872.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz. :—

"Whereas Your Majesty, by Order in Council of 22nd February 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy; And whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also that it is necessary to establish regulations for the retirement of Sub-Lieutenants.

"We would, therefore, most humbly submit to Your Majesty—

"1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

"2. That until the list of Captains is reduced to one hundred and fifty, we be authorised to promote Officers to vacancies caused by retirement, according to the following scale :—

"(*a.*) One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

"(*b.*) One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

(*c.*) One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

"3. That we be further authorised, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing, or in future arising from the retirement of Commanders.

"4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur.

"5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorised to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorised by your Majesty's aforesaid Orders in Council.

"6. Captains who were promoted to that rank before the 1st April 1870, and who elected the new regulations for retirement, to be allowed, if physically unfit, or if they have not served for seven years, on retirement, an amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April 1870.

"7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

"8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such officers to be allowed, with their consent and at our discretion, to retire irrespective of age.

"9. Retired Pay to be granted as follows :—After three years' seniority, 3*s.* 6*d.* per diem, an additional 6*d.* being given for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., 6*s.* per diem.

"10. Officers who, in our opinion, are not deserving of receiving retired pay on the above scale, to be

granted such low rate of pay as we may think fit to award them.

"11. Service for retired pay to be calculated in accordance with the provisions of Your Majesty's Order in Council of 22nd February 1870, relating to Flag Officers, Captains, Commanders, and Lieutenants, time during which a Sub-Lieutenant may be on half-pay after he has served three years in that rank to reckon in the proportion fixed by the Order in Council.

"12. Sub-Lieutenants to be allowed, at their own request and with our consent, to commute their retired pay under the rules laid down by the Lords Commissioners of Your Majesty's Treasury for administering the Act 34 and 35 Vict., cap. 56.

"13. The existing rules as to half-pay to Sub-Lieutenants while on the Active List to remain in force.

"We therefore most humbly submit that Your Majesty will be graciously pleased to sanction these arrangements, which have received the concurrence of the Lords Commissioners of Your Majesty's Treasury."

Her Majesty having taken the said Memorial into consideration was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

CIRCULAR No. 10.—C.

At the Court at Osborne House, Isle of Wight,
The 5th day of August 1875.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the third of August, one thousand eight hundred and seventy-five, in the words following, viz.:—

"Whereas we have had under our consideration the effects of Your Majesty's Orders in Council of twenty second February, one thousand eight hundred and seventy, and fourth August, one thousand eight hundred and seventy-three, in so far as they relate to the retirement and promotion of Flag Officers, Captains, Commanders, and Lieutenants of Your Majesty's Navy: And whereas large reductions of these lists have been thereby effected, which, though highly satisfactory in one point of view, have resulted in a great stagnation of promotion: We are of opinion that it is expedient to provide temporarily for a more uniform flow of advancement to these ranks; to relax slightly the rules as regards the age at which Flag Officers and Captains may be optionally retired, and to modify still further the restrictions respecting the advancement to Flag Rank of officers on the Retired List and promotions on that List.

"We would therefore most humbly submit to your Majesty:—

"1. That we be empowered for the present to promote annually seven Captains to Flag Rank, effecting this by promoting to Flag Rank as heretofore in vacancies caused by death and retirement, and by supplementing any vacancies short of seven at the end of each year, so long as a maximum number of sixty-eight Flag Officers be not exceeded:—

"Adjusting the Flag Ranks thus:—

3 Admirals of the Fleet.
10 Admirals.
20 Vice-Admirals.
35 Rear-Admirals.
} Total 68.

"Promotions to the List of Admirals to be in the proportion of one to two in vacancies caused by retirement until the number is reduced to ten, and the addition to the list of Vice-Admirals and Rear-Admirals to be in the proportion of one Vice-Admiral to every two Rear Admirals added to the list; should there be more than seven vacancies in any year the excess not to be filled up in that year, provided the list of Flag Officers is kept up to fifty.

"2. That, for the present, we be also empowered to promote annually twelve (and should vacancies occur as many as fifteen) Commanders to the rank of Captain, effecting this by filling every vacancy and supplementing any vacancies short of twelve at the end of each year, so long as a maximum number of one hundred and Seventy-five Captains be not exceeded should there be more than fifteen vacancies in any year the excess not to be filled up in that year.

"3. That, for the present, we be also empowered to promote annually twenty (and should vacancies occur as many as twenty-five) Lieutenants to the rank of Commander, effecting this by filling every vacancy, and supplementing any vacancies short of twenty at the end of each year, so long as a maximum number of two hundred and twenty-five Commanders be not exceeded; should there be more than twenty-five vacancies in any year the excess not to be filled up in that year, provided that the list is kept up to two hundred.

"4. That, for the present, we be authorised to sanction the optional retirement of Flag Officers and Captains at the following ages, viz.:—

"Admirals and Vice-Admirals . . 55
"Rear-Admirals 50
"Captains 45

"Such optional retirement to be subject in each case to our approval, and to be restricted to three Flag Officers and six Captains annually, power being reserved to us, with the sanction of the Lords Commissioners of Your Majesty's Treasury, to extend this option to a larger number hereafter should such a course appear desirable.

"5. That one step in rank, according to seniority, be granted to all Rear-Admirals and Captains who may have been, or who may hereafter be, placed on the Retired List under the provisions of Your Majesty's Order in Council of twenty-second February, one thousand eight hundred and seventy, irrespective of any qualifying service; such advancement not to carry with it any increase of retired pay.

"We further beg to state that the Lords Commissioners of Your Majesty's Treasury have given their assent to the cost of these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the twenty-third day of June 1886, in the words following, viz.:—

"Whereas by Your Majesty's Orders in Council of 22nd February 1870, and 5th August 1875, Rear-Admirals retired from that rank are allowed only one step in rank by seniority.

"And whereas we are of opinion that such officers might be allowed to rise to the rank of Admiral on the Retired List.

"We would recommend that Your Majesty may be graciously pleased to sanction the following provisions with regard to these officers, viz.:—

"'1. Rear Admirals who have been or may be retired 'from that rank to be allowed to rise to the 'rank of Admiral on the retired List according 'to seniority; any officer hereby qualified for 'Admirals rank, and who has been debarred from 'rising above the rank of Vice Admiral by the 'restrictions of the Regulations hitherto in 'force, to date his promotion to Admiral from 'the day on which he would have been promoted 'had such restrictions not been in operation.

"'2. Promotion not to confer any claim to increase of Retired Pay.'"

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 17th day of June 1887, in the words following, viz.:—

"Whereas we have had under consideration the increasing slowness of promotion from the rank of Lieutenant to that of Commander, which is, in our opinion, detrimental to your Majesty's Service;

"We would recommend that we be empowered to make annually thirty advancements of Lieutenants

to the rank of Commander, notwithstanding that the vacancies on the Commanders' List may be less than that number, until the list of Commanders is raised from 225, its present temporary limit under the provisions of Your Majesty's Order in Council of 5th August 1875, to 270, and that this number be afterwards maintained; such thirty annual promotions to be made at such dates within the year as we may consider advisable.

"These arrangements to be applicable to the present year.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

No. 29.—C.W.

At the Court at Windsor,

The 29th day of November 1879.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of November 1879, in the words following, viz.:—

"Whereas we have had under our consideration the effect of Your Majesty's Orders in Council of 22nd February 1870, and 5th February 1872, both as regards the limitation of the number of Lieutenants in Your Majesty's Fleet and the restrictions for the promotion of Officers to that rank, and whereas the Navigating Class of Your Majesty's Fleet is being rapidly reduced on account of the special entries for that class having been for some time past discontinued.

"We are of opinion that it is necessary:—

"1. To increase the number of Lieutenants for executive duties;

"2. To supplement in addition, but gradually, the List of Lieutenants as substitutes for the Navigating Officers; and

"3. To make better provision for the promotion of Sub-Lieutenants.

"We do most humbly submit that Your Majesty will be pleased to sanction:—

"1. That the number of Lieutenants for Executive duties shall be 800.

"2. That we be authorised to increase that number of Lieutenants gradually to 1000 in proportion as the numbers on the List of Staff Commanders and Navigating Lieutenants fall below the number fixed by Order in Council of 1870, viz., 250, so that eventually the List of Lieutenants shall be 800 for Executive duties and 200 for Navigating duties.

"3. That we be empowered to promote 75 Sub-Lieutenants during the present year without reference to the number on the Lieutenant's List; and in each successive year a number that shall not exceed the number that has been added to the List of Sub-Lieutenants in the previous year

4. That we be authorised to continue the retirement of Lieutenants on the terms sanctioned in para. 24, Chapter X. of the Order in Council of 22nd February 1870.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals, and we do most humbly submit that Your Majesty will be graciously pleased to sanction the same being carried into effect."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. C. L. PEEL.

At the Court at Windsor,

The 24th day of March 1880.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of March 1880, in the words following, viz.:—

"Whereas Your Majesty was graciously pleased by Order in Council of the 22nd February 1870, Sec. II. Par. 6, to make the following provision as regards Officers of Your Majesty's Navy accepting the Regulations then established, viz.:—

'Captains retired from that rank to be entitled 'to rise by seniority to the rank of Retired Rear 'Admiral if before retirement they had served the 'time to qualify them for promotion,'

thus restricting the reward of Retired Flag Rank to officers qualified for their Active Flag, and whereas under Your Majesty's subsequent Order in Council of the 5th August 1875, all Captains retired from that rank have become entitled to one step in rank, by seniority, irrespective of service, the distinction between officers qualified and not qualified for promotion being thereby abolished; We would humbly represent to Your Majesty that we consider the distinction reasonable, and we are of opinion that it is expedient to grant to Captains qualified for promotion a concession proportionate to that conferred by Your Majesty's Order in Council of 5th August 1875, on unqualified officers.

"We would therefore humbly submit that Your Majesty will be pleased to sanction the following provisions, viz.:

"1. Captains who have been or may be retired from that rank (unless retired on account of non-service) to be allowed to rise to the rank of Vice Admiral on the Retired List if before retirement they had or shall have served the time necessary to qualify a Captain for promotion to the Rank of Rear Admiral on the Active List.

"2. Such advancement to be conferred according to seniority, any officer hereby qualified for Vice Admiral's rank, and who has been debarred from rising above the rank of Rear Admiral by the restrictions of the Order in Council of the 22nd February 1870, to date his promotion to Vice Admiral from the day on which he would have been promoted had such restrictions not been in opcration.

"3. Promotion not to confer claim to increase of Retired Pay."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. C. L. PEEL.

"And whereas the requisite Powers do not exist to allow Officers so called out to count their time of service towards increase of retired pay.

"We would recommend that Your Majesty may be graciously pleased to establish the following regulations on the subject, viz.:—

"Officers on the Reserved, Retired or Pension Lists of the Navy, called out for service in time of war or emergency shall count such service as Sea or Harbour Service as the Lords Commissioners of the Admiralty might determine, according to the rules and usages governing all service under the Admiralty.

"They shall further count such service towards increase of the age at which they were placed on the retired list, but their emp'oyment shall not give them a claim to have their Retired pay assessed upon their age at the time of such employment.

"They shall, however, in no case rise to retired pay or pension exceeding the maximum rate of their rank.

'The Lords Commissioners of Your Majesty' Treasury have concurred in this proposal."

"Whereas by Section IV., Clause 10, of Your Majesty's Order in Council of the 22nd day of February, 1870, power is conferred upon us to grant at our discretion, a step in rank at the time of retirement, but not afterwards, to Lieutenants of Your Majesty's Navy, if, before retirement, they had served the time necessary to qualify them for promotion.

"And whereas the grant of such step of rank will interfere with the employment of these Officers after retirement in the rank of Lieutenant in time of war or emergency.

"And whereas we are of opinion that for this reason a step of rank should not be allowed to retired Lieutenants until they attain the age of 40.

"We would, therefore, recommend that Your Majesty will be graciously pleased to sanction the grant of such step of rank, at our discretion, to Lieutenants at the age of 40, when such Officers are retired before that age, and have served the time necessary to qualify for promotion."

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May 1870, in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to your Majesty:

"1st. As regards services of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such inquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-Pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments, as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies which may be caused by Retirement, or Promotion consequent on Retirement, until the List may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th June 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the Rank of Retired Captain, and that Officers having served 15 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July 1864, it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time, as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief; And whereas by Your Majesty's Order in Council of 22nd February 1870 it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain and Retired Commander only at our discretion; We are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, and Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be governed also by qualifications of good and meritorious service: We therefore humbly submit that in future such Promotions on Retirement be made at our discretion. We beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of March 1880, in the words following, viz.:—

"Whereas by Article 237 of the Regulations established under Your Majesty's Order in Council of the 4th of February 1879, for the Government of Your Majesty's Naval Service, it is provided that 'To qualify a Staff Commander for the rank of Staff Captain he must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbor Master, or he must, with 20 years sea-service as a Commissioned Navigating Officer have performed some special service, the nature of which is to be mentioned in the Gazette;' and whereas the effect of these provisions has been to exclude from advancement to the rank of Staff Captain Officers unable to acquire the above-mentioned qualifications but yet deserving, in our opinion, of such promotion. We would humbly submit that Your Majesty will be graciously pleased to cancel the said Article 237, and to substitute the following provisions, viz.:—

"To qualify a Staff Commander for the rank of Staff Captain he must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbor Master, or he must have completed 15 years sea-service as a commissioned Navigating Officer and have performed such special services as in the opinion of the Admiralty render him deserving of promotion.

"We would represent to Your Majesty that it is not proposed to increase the number of Staff Captains at present authorized, and that consequently no additional expenditure beyond that authorized by the Regulations will be incurred by these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

"Whereas it has always been considered, as recited in Your Majesty's Order in Council of the 26th October, 1860, that Half Pay is awarded to the Officers of Your Majesty's Fleet on the principle of its being a reward for past service as well as a retaining fee for the future; and Whereas, by certain of your Majesty's Orders in Council, We are empowered in cases where Officers of Your Majesty's Navy have been guilty of misconduct or neglect of duty, or have incapacitated themselves for Active Service by irregular and imprudent conduct, to reduce their half pay and retired pay and pension below the rates to which they would otherwise be entitled by service, and in certain cases to retire Officers compulsorily on account of age, non-service, or physical unfitness; and Whereas We are of opinion that it is advisable to amend in some respects the provisions of the said Orders in Council and to extend in some degree the powers conferred upon Us; We would humbly submit that Your Majesty will be graciously pleased to approve of the undermentioned provisions:—

provided that his retired pay shall in no case exceed the half pay which he was entitled to receive previous to his retirement.

"2.—Sub-Lieutenants, and Assistant Paymasters shall be liable to compulsory retirement under clause 1 of these provisions, Officers so retired shall have no claim to Half Pay or Retired Pay, but shall be eligible to receive, should we see fit to award it, a gratuity not to exceed £25 for each year of service in the rank of Sub-Lieutenant or Assistant Paymaster, nor £250 in the whole.

"3.—The Retired Pay of Engineers and Assistant Engineers is to be liable to reduction in cases of misconduct, in accordance with the provisions of the Order in Council of 22nd February, 1870, sect. X. Par. 6, with respect to Navigating and Civil Officers.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 23rd of October 1878, in the words following, viz.:—

"Whereas by Your Majesty's Order in Council of 30th April 1877, Your Majesty was pleased to sanction the compulsory retirement at the age of 45 years of Officers holding the rank of Engineer:

"And whereas we are now of opinion it may be desirable under circumstances of emergency to retain these Officers in Your Majesty's Service until they attain the age of 50 years: We humbly submit that under circumstances of emergency the present age for the compulsory retirement of officers holding the rank of Engineer may be extended to the age of 50 years, and that the optional age for retirement be 45 years.

"And in consideration of the additional service that may be required of these Officers after the age of 45 years, increased retirement be granted to them on the following scale:—

"Engineers qualified for promotion:—
"For each year's service on Full Pay after the age of 45 years 7*l.* 10*s.*
"For each year on Half Pay after the age of 45 years 3*l.* 15*s.*

"And further that power be reserved to us to suspend, under circumstances of emergency, the above provision under which an Engineer may at his option retire at the age of 45.

"We do most humbly submit that Your Majesty will be pleased to sanction these our proposals, the expense that may be occasioned by the same being concurred in by the Lords Commissioners of Your Majesty's Treasury."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Order in Council of 18th August 1882.

No. 13.—N.

At the Court at Osborne House, Isle of Wight,

The 18th day of August 1882.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 7th of August 1882, in the following, viz.:—

"Whereas, by the provisions of Your Majesty's Order in Council of 22nd February 1870, Sec. X., the retired pay of Chief Engineers, R.N. entered after 25 years of age depends on their service only, instead of on age and service combined as is the case with other Chief Engineers. Whereas the aforesaid Officers do not ordinarily reach the rank of Chief Engineer at a sufficiently early age to allow them, before they are compulsorily retired at 55 years of age, to complete the 11 years' service requisite under Sec. II. Art. 4, and Sec. IX. (note) of the said Order in Council, to enable them to reckon all Junior Service for increase of retired pay, and they, in consequence, receive on retirement only the active half-pay of their rank.

"Whereas we are of opinion that, although the provision adversely affecting these Officers was designed to obviate the possibility of a high scale of retired pay being applicable to them after comparatively short service, yet it was never intended to exclude efficient Officers from all participation in the benefits of the scale of retired pay established by Your Majesty's Order in Council of 22nd February 1870.

"And whereas Engineer Officers will not in future be entered after the age of 25: We beg to recommend that Your Majesty will, by your Order in Council, extend Clause 4 of Sec. X. of the Order in Council of 22nd Feb. 1870, so far as relates to Chief Engineers on the Active List on 1st April 1882, in the following manner, viz.:—

"Chief Engineers who entered after 25 years of age, and who have completed 8 years' service in that rank, shall, on compulsory retirement, if otherwise qualified, be granted an amount of retired pay equal to a rate of half-pay based on the following provision, viz., that all confirmed Junior Service shall be allowed to count for such rate of half-pay irrespective of the provisions of the scale relating to Junior Service in the Order in Council of 22nd February 1870."

the effect of which will be more nearly to assimilate their retired pay with that of Officers similarly situated who entered under 25 years of age.

"We beg to observe that the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The following shall be the scale of Pensions:—

	For each Year's Service, above the Rank of Petty Officer.	Addition for each Year's Service as Seamen or Petty Officer, but the additional time allowed for Service as Seaman-Gunner not to count.	Maximum for Service only.	Minimum for Service only.
Chief Gunner . .	£ s.	£ s.	£	£
„ Boatswain .	5 0	1 10	150	No fixed Minimum.
„ Carpenter .				
Warrant Officers:—				
Under 10 years .	3 10	1 10	120	Under 5 years' service as warrant-officer, 40*l.* With 5 years' do. and under 10, 50*l.*
With 10 years .	4 0	1 10	120	With 10 years' do. and under 15, 75*l.* With 15 year's service as warrant officer, 95*l.*

Chief and other Gunners, Boatswains, and Carpenters, holding appointments in Her Majesty's Yards, if not entitled to civil superannuation, shall be allowed to count such service as time towards pension, on the above scale.

In the event of the above-mentioned officers having sustained injuries on duty not nearly equivalent to the loss of a limb, or being disabled by sickness contracted in the service, and not from want of proper care on their own part, an increase of not more than 10*l.* a year may be made to whatever Retiring Allowance may be awarded to them under the foregoing scale, provided they have not already received compensation for the same.

For ruptures and minor injuries received on duty gratuities shall be granted under Article 1976 of the Regulations, at the discretion of the Admiralty, instead of the above increase.

Whenever an application for a pension on account of age, long service, or disability is made by a Chief or other Gunner, Boatswain, or Carpenter who has received a wound or injury in the service, the Captain will direct the Medical Officer to make a report, which he will forward with the application, for the information of the Admiralty, stating clearly the extent to which the injury affects the applicant, and the degree in which it incapacitates him from contributing towards his own support; if the injury was received before the 30th of August 1870, and no hurt certificate is produced, the applicant's statement should be supported by any documentary evidence that can be produced.

Special Pensions, or gratuities in excess of the foregoing scale for service may, at the discretion of the Admiralty, be awarded when special services have been rendered requiring special reward; and such lower rates of pension as the Admiralty may think proper may be granted to officers who have been guilty of misconduct.

Time during which an officer shall not have maintained a good character in the ships in which he has served shall not be allowed to reckon as service for Pension.

Chief and other Gunners, Boatswains, and Carpenters may, in such cases as it may be for their advantage, be pensioned on the scale for seamen, their service in the above ranks being allowed to reckon as superior petty time.

Chief Gunners, Chief Boatswains, Chief Carpenters and Warrant Officers who have been dismissed from Her Majesty's service for what may be considered venial offences in the case of seamen, may, at the discretion of the Admiralty, be allowed Naval Pensions on the seamen's scale, provided they have twenty-one years' service, or are from age or other causes unfit for service as seamen in the Navy.

In such cases the time served as Warrant Officers may be allowed to reckon as superior single petty time under Article 2010.

Only Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, on the *Active List* shall be eligible for the award of Good Service Pensions; but such Pensions may be granted to Flag Officers on the Retired List, Medical Officers, and to General Officers of Marines, whether on the Active, Reserved or Retired Royal Lists; provided in the cases of Flag Officers that retirement has taken place after attaining Flag Rank, and that the Retired Pay together with the Good Service Pension shall not exceed the half-pay of an Admiral of the Fleet.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to officers who have commanded ships in action against the enemy.

Flag Officers and General Officers of Royal Marines in receipt of these Pensions shall be allowed to retain them after being retired; but, in the case of Flag Officers, if the Retired Pay and Good Service Pension together exceed the half-pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

Captains retired from that rank shall be allowed to receive, in Retired Pay together with Good Service Pension, a sum not exceeding 600*l.* a year; but, should the two together exceed that sum, they will be retired on 600*l.*, relinquishing their Good Service Pension.

Captains, Royal Navy, and Colonels and Lieutenant-Colonels, Royal Marines, shall forfeit their Good Service Pensions on promotion to be Flag, or General Officers, on the Active List.

Lieutenant-Colonels and Colonels of Marines to be allowed to receive in Retired Pay together with Good Service Pension a sum not exceeding 600*l.* a year, but should the two together exceed that sum they will be retired on 600*l.* a year relinquishing the Good Service Pension.

A Flag Officer shall give up his Good Service Pension if he become Governor of Greenwich Hospital or Naval Aide-de-Camp to Her Majesty.

A Naval Aide-de-Camp to Her Majesty deriving emolument from his office shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An Admiral of the Fleet on the Active List shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

An officer promoted to the rank of Admiral of the Fleet on the Retired List under the provisions of the Order in Council of 22nd of February 1870, Section X. para. 7, shall in consideration of the rank not carrying increase of Retired Pay, be allowed to retain the Good Service Pension, or if not in possession of one shall be eligible for it.

COMPASSIONATE ALLOWANCES.

No. 67.—C.

At the Court at Windsor,
The 26th day of June 1886.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 23rd day of June 1886, in the words following, viz.:—

"Whereas in reviewing the practice under which the award of Compassionate Allowance to the sons and daughters of deceased Officers of the Royal Navy and Marines who, although over the prescribed age, are incapable through infirmity of earning a living, it appears that the circumstances under which the awards are made differ from those laid down for the award to sons and daughters of deceased Army Officers.

"We do therefore humbly submit that Your Majesty may be pleased by Your Majesty's Order in Council to sanction the assimilation of the practice of the Navy to that of the Army, whereby the grant will be made in those special cases where the sons and daughters of Officers who were not in receipt of allowance when under age are rendered incapable of making adequate exertion for their own support through infirmity dating from a period before the father's death and before the sons and daughters reach the age at which in ordinary circumstances compassionate allowances would cease.

"The Lords Commissioners of Your Majesty's Treasury have signified their consent."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of October 1876, in the words and figures following, viz.:—

"Whereas we have had under our consideration certain cases in which Officers of Your Majesty's Naval and Marine forces have been dismissed from Your Majesty's Service by Court-Martial for misconduct, or have been allowed to resign their Commissions to avoid trial by Court-Martial: And whereas such Officers are, in some cases after good service for many years, rendered destitute by being thus deprived of all professional resources: We do therefore humbly submit, that we be empowered at our discretion to grant compassionate allowance from this date, both to such Officers and also to those who may hereafter be so removed from Your Majesty's Naval or Marine Forces, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled to at the time of such removal, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

NAVAL RETIREMENT PREVIOUS TO 1870.

(So far as still in operation.)

FLAG OFFICERS.

1851.

B. Her Majesty, by Her Order in Council of 25th June 1851, having been graciously pleased to sanction certain arrangements, proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals and 51 Rear-Admirals: this reduction will be effected as follows, viz.:—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June 1827. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

1886.

1. Compulsory retirement to be extended to all the Executive Lists.
2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.
3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.
4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.
5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointments of Vice and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.
6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals (But not to be more than three Admirals of the Fleet at one time.)	21
Vice-Admirals	22
Rear-Admirals	42
Total	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above whether they have served or not.

CAPTAINS.

1847.

The plan of retirement published in the London Gazette of 1st Sept. 1845, and carried out by Her Majesty's Order in Council of 24th April 1847, provides:—

1st. That the rank of retired Rear-Admirals shall be given, by Seniority, to such applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-Pay Lists, being Captains of not less than 20 years' standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List, will be reduced to a number not permanently exceeding 350, and the reductions shall be effected as follows, viz.:—

1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains will rise to their Flags, who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captain's List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promotiing one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired	18*s.* per diem.
If on 12*s.* 6*d.*	20*s.* "
If on 14*s.* 6*d.*	21*s.* "

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20s. per diem.

Captains now on the 14s. 6d. Half-pay List not to be affected by these arrangements unless by their own desire.

1864.

1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of 60 without having served in their present rank, shall be extended to Captains who may attain the age of 60 and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

If on the 10s. 6d. Half-pay List when retired . . . . . 18s. per diem
If on the 12s. 6d. " " " } 20s. "
If on the 14s. 6d. " " "

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25s. per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirment to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire irrespective of age, at the several rates of 18s. or 20s. a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service at the rate of 16s. a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of 50, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300 no further retirement of Officers to take place under this clause.

B. 6. Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers, as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a day; subject, however, to the proviso contained in paragraph 8.

7. Widows of Marine Officers who held Brevet or Honorary Rank on the Active List are granted the Pension applicable to that rank, but the widows of Officers who were given Brevet or Honorary Rank on or after retirement are only eligible for the Pension applicable to the substantive rank of the Officer when last on the Active List.

Officers who voluntarily retire from the Service with gratuities, will be held to have forfeited all claim to pension on behalf of their Widows or Compassionate Allowances for their Children.

N.B.—The general regulations governing the award of pensions to Widows of Officers and Warrant Officers of the Royal Marines are assimilated, as regards Officers retired after 29th June, 1882, to those governing the award of pensions to the Widows of Officers and Warrant Officers of Her Majesty's Army. Under Her Majesty's Order in Council of 24th June 1885, Compassionate Allowances are awarded, subject to certain conditions to the children of Warrant Officers whose deaths are attributable to the Service.

PENSIONS to WIDOWS of OFFICERS and COMPASSIONATE ALLOWANCES to CHILDREN only to be granted in future when the marriages take place during the time the Officers are borne on the Active List. Time spent by Officers on the Retired List not to reckon towards increase of pension rights.

No. 77.—C.

At the Court at Windsor,

The 10th day of November 1886.

Present;

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 5th day of November 1886, in the words following, viz.:—

"Whereas we have had under our consideration the question of continuing to grant Pensions to the Widows of Officers of Your Majesty's Navy, and Compassionate Allowances to their children, in cases in which the marriages take place after the retirement of the Officers from the Active List.

"And whereas We are of opinion that the Regulations in regard to the privileges in question should be modified.

"We do therefore beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to direct, as regards future marriages of Naval Officers, that the Widows and Children of the officers in question shall not be eligible for the grant of Pensions and Compassionate Allowances unless the marriages take place during the time Officers are borne on the Active List. This Regulation to apply only to Officers now on the Active List, or who may be placed thereon subsequently to the date thereof, and in no way to affect the claims in respect of Officers already retired."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

Present

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 5th day of November 1886, in the words following, viz.:—

"Whereas we have had under our consideration the regulations governing the award of Pensions to Widows of Officers of Your Majesty's Navy and Compassionate Allowances to their children.

"And whereas We are humbly of opinion that time spent by such Officers on the Retired List should not be operative either for creating or for increasing pension rights.

"We do therefore beg leave to recommend that Your Majesty will be graciously pleased by Your Order in Council to direct that Art. 2067 of the Regulations for the government of Your Majesty's Navy shall be modified so that, as regards future marriages, Service on the Active List only shall reckon as qualifying time for the privileges in question. The alterations in question to apply only in respect of Officers now on the Active List or placed thereon subsequently to the date hereof; and in no way to affect the claims in respect of Officers already retired.

"We would, however, recommend that Your Majesty will be pleased to provide that the special rate of pension applicable to the rank of Paymaster-in-Chief may still be awarded to Widows of those Officers, the rank of Paymaster-in-Chief being only obtainable at the time of their retirement."

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. Her Majesty's Orders in Council increasing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years, except Chief Gunners, Boatswains and Carpenters, and Warrant Officers pensioned before 1st October, 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty, may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions thereby.

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer, after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

x. If marriage took place after the Officer was removed from the Active List. This regulation to be only applicable to Officers who retired after 10th November 1886.

8. The Pensions of Widows whose private incomes may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 10th November, 1886, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer had five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service on the Active List will not apply to Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active, Reserved, or Retired Lists as qualifying for eligibility for pension to their widows.

Naval Officers retired before 10th November 1886 and Marine Officers retired before 29th June 1882, are allowed to reckon their time after commutation as part of the 10 years necessary to qualify their widows for pensions, provided they married before commutation.

The Widows of Chief Gunners, Chief Boatswains, and Chief Carpenters, are only entitled to the rate applicable to Chief Warrant Officers if their husbands had one year's service; in cases of less than one year's service the rate applicable to Warrant Officers will be awarded.

Pensions are awarded to Widows of Gunners, Boatswains, and Carpenters of one year's service (acting time included), and confirmed in that rank.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although no portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November, 1886, that the marriage took place before the Officer left the Active List.

11. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to themselves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

12. In all cases of a Widow re-marrying, since 31st December, 1830, her Pension shall be suspended from the date of her re-marriage; but, in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that her private income does not exceed the limit fixed from time to time by the Admiralty for the rank last held by her husband, and that she is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage.

-If a Widow, in consequence of re-marriage, either before or after the 31st December, 1830, with a Naval or Marine Officer, becomes again eligible for a Pension from naval funds, she may either revert to her first Pension, or be granted the Pension for which her second marriage rendered her eligible, whichever is most to her advantage.

13. Every Officer, whether on Full, Half, or Retired Pay, shall,—in order to facilitate the decision upon the claim of his Family, after his decease, to the benefit of these Regulations, notify his marriage *within one month* of its taking place, to the Admiralty, according to the Form given.

14. With respect to marriages contracted in Scotland, none will be admitted, for the purposes of these Regulations, which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland*, in presence of a Magistrate, according to the Form given for a Decreet of Declaration of Marriage.

15. The Widows of Officers on the Reserved and Retired Lists are only eligible for the Pension applicable to the rank of their husbands at the date when they were last on the Active List, except in the case of Captains retired before the 10th November 1886 advanced to the rank of Flag Officers, whose Widows are pensioned as the Widows of Flag Officers.

The special rate of pension applicable to the rank of Paymaster-in-Chief will be awarded to those Officers' Widows, the rank being only obtainable on retirement.

16. *Widows of Marine Officers.*

(*a*) *Officers retired before 29 June* 1882.

The General Rules for the grant of Pensions to the Widows of Naval Officers are applicable to the cases of Widows of Marine Officers, except where otherwise stated in these Regulations.

In computing the period on the list of Commissioned Officers necessary to render Widows eligible for Pensions, in the case of Marine Officers who have been promoted from the ranks, three years in the ranks shall be allowed to reckon as two years in commission towards such qualifying period; and if under this rule the time is still insufficient, the Admiralty may, at their discretion, award a Pension notwithstanding, provided the actual service in all ranks amounts to the period required in the cases of other Officers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the ACTIVE LIST shall be granted the Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on or after retirement shall only be entitled to the Pension applicable to the substantive rank of the Officer when last on the Active List.

(*b*) *Officers retired after 29 June* 1882.

The Widows of Marine Officers retired after 29th June, 1882, will be pensioned under the rules governing the award of Pensions to Widows of Officers of Her Majesty's Army.

The Widow of a Warrant Officer who has been killed in action, or who has died of wounds received in action within 12 months of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy within six months of his having been first certified to be ill, or who shall have completed not less than five years' continuous service as Warrant Officer at the time of his death shall, provided the Marriage took place before the Warrant Officer attained the age of 45 years, be granted a pension of £20 a year, if the Widow be certified as being *left in necessitous circumstances*, and subject to the conditions laid down for the pensions of Officers' Widows, so far as they apply.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the Queen's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the Ships of friends by mistake, or in quelling disturbances on shore or afloat: and persons dying of their wounds within six months shall be considered as persons slain, viz.:—

i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

20. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed or drowned on duty
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home.
6th. Children of Officers dying on Half-pay, and on the Reserved and Retired Lists.

21. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowances would cease.

22. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pensions on account of

private income, are considered ineligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay, are not eligible to be placed on the Compassionate List.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

28. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within six months after being injured, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the *ordinary* rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

30. If there be no *ordinary* rate of Pension attached to the rank of the Officer, such Pension may be granted as the Admiralty may see fit, in the cases of both Mothers and Sisters, under the circumstances stated in Articles 28 and 29.

PRIZE MONEY.

BY THE QUEEN.
A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Sixteenth Day of May One thousand eight hundred and seventy-one, regulating, according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is, and we do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows, viz.:—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed, that is to say:—

When there is but one flag officer he shall have the entire one-thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one-thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first-class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessel under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted:—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by, such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said Commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he or the flag be within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged over and above the freight, which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

MISCELLANEOUS CIRCULARS, &c.

FLEET CIRCULAR No. 39.—N.

Admiralty, 9th December, 1884.

(FOREIGN LANGUAGES.)

My Lords Commissioners of the Admiralty, having regard to the desirability of encouraging officers to acquire a colloquial knowledge of Foreign Languages, are pleased to lay down the following Regulations, viz.:—

1. The marks assigned for French at the Examination of Acting Sub-Lieutenants at the Royal Naval College, Greenwich, will be raised from 100 to 200; the total qualifying number for each class, and the minimum number required to be obtained at the College to qualify for a Lieutenant's Commission under Circular No. 1, N., of 1st February, 1884, being increased. This rule is to take effect at the first Examination in 1885, and will therefore apply to the Acting Sub-Lieutenants who joined the College in June, 1884.

2. Commissioned Officers of the Military Branch, and other Officers now eligible for Examination for Interpreter in European Languages, will be allowed, if the requirements of the Service admit, to proceed to the Continent for three months for the purpose of improving their colloquial knowledge of the French, German, Spanish, or Italian Languages.

3. Before being allowed to avail himself of this privilege, an Officer will be required either to satisfy the Civil Service Commissioners that he possesses an adequate grammatical knowledge of the Language which he has selected, or, if he has studied the Language at the Royal Naval College, to obtain a certificate to the same effect from the College Examiner.

4. On return to England, the Officer will be examined by the Civil Service Commissioners as to his colloquial knowledge, both as regards speaking, and readiness in interpreting the Language which he has studied.

5. If able to pass a satisfactory examination, he will be allowed full pay and harbour time for the three months of study abroad, but he will not receive any allowance for victuals, nor any other allowance in addition to full pay.

6. The privilege of study abroad will not be granted to any officer more than once for the same Language.

7. The regulations contained in paragraphs 2 to 6 are provisional only, and the question of their continuance will be considered after 12 months' experience of their working.

By command of their Lordships,
EVAN MACGREGOR.

To all Commanders-in-Chief, &c.

Note.—Circular Letter of May, 1886, $\frac{N}{1163}$, states that the experiment referred to in Clause 7 will be continued with the following modification, viz., that the period of study will be extended from three to four months and that Officers passing under Clause 5 of the Circular will be allowed full pay and harbour time for such four months.

Also that Officers who are allowed to avail themselves of the provisions of this Circular are recommended to comply with the following suggestions made by the Civil Service Commissioners, with reference to their studies while abroad and examination on their return:—

"Candidates should—

"(1st.) Select, preferably, as their place of residence a seaport, such as, in France: Cherbourg, Havre &c., and there mix especially in official Society;

"(2nd.) Direct their attention not only to sea or commercial terms, but also to weights and measures the country, so as to convert the most ordinary ones into English, and *vice versâ*."

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

MEDALS AND ANNUITIES FOR CONSPICUOUS GALLANTRY IN ACTION.

By Order in Council, dated the 7th July, 1874, a Silver Medal has been established for such Petty Officers and Seamen of the Royal Navy, and Non-commissioned Officers and Privates of Royal Marines, as may at any time distinguish themselves by acts of conspicuous gallantry in action with the enemy.

This Medal may, at the discretion of the Lords Commissioners of the Admiralty, be accompanied by the grant of an annuity (not exceeding £20) in the cases of Chief and First-class Petty Officers of the Navy and Sergeants of Royal Marines, provided the amount authorised from time to time for such annuities by the Lords Commissioners of Her Majesty's Treasury, is not exceeded.

As these rewards are intended for such men only as shall have rendered themselves individually conspicuous by some special act of pre-eminent gallantry in action with the enemy, great care is to be taken that the cases of the men recommended come strictly within the spirit of the Order in Council; and that the case of each man be accompanied by a full statement of the grounds on which his claim to this distinction is founded.

A separate code of regulations has been prepared to provide for such cases.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act 26 & 27 Vict., cap. 69, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

EXTRACTS FROM THE REGULATIONS FOR THE "ROYAL NAVAL ARTILLERY VOLUNTEERS" ISSUED IN 1873.

THE "Royal Naval Artillery Volunteers" are raised under the "Royal Naval Artillery Volunteer Act of 1873."

They are subject to the provision of that Act, and to all regulations made with regard to them by the authority of the Admiralty.

By Royal Proclamation, the Royal Naval Artillery Volunteers may be assembled for actual service; and whenever so assembled, they will be liable to serve on board any of Her Majesty's ships or vessels employed in the defence of the costs of the United Kingdom, or in any of the tenders or boats attached to such vessels.

They will also be liable to perform all the ordinary duties of the vessel in which they may be embarked in the same manner as those duties are performed by the regular crews of Her Majesty's ships, except those duties that can only be performed by practical seamen.

They will not be required to go aloft, or to attend the fires in the stoke-hole.

They will accommodate themselves to the berthing and messing arrangements usual for the Seamen of the Royal Navy.

A Corps is a body of persons who combine, under common rules, to form a part of the Naval Artillery Volunteer Force.

The members of a Corps are either enrolled or honorary.

Enrolled members are persons of every grade, whose names are duly entered for service in the muster-rolls of the Corps.

Honorary members are persons who contribute to the funds of a Corps, but are not enrolled for service.

The Naval Artillery Volunteer Force, for administrative purposes will be formed into **Brigades**, and each Brigade will consist of four or more **Batteries** of from 60 to 80 men.

Each Brigade will be designated by a local name in addition to its number in the Force.

Persons wishing to form a Corps to form part of a Brigade of Royal Naval Artillery Volunteers should place themselves in communication with the Secretary of the Admiralty.

The formation of a new Corps will not be sanctioned unless a sufficient number of persons to form a Battery are prepared to enroll themselves, and whilst any Battery already existing in the locality is below its establishment.

In offering the services of new Corps for acceptance, it should be stated:—

(*a*) The place proposed for its head-quarters.
(*b*) The number of persons who are prepared to enroll themselves.
(*c*) The name and address of some person with whom communications on the subject may be made.
(*d*) The Brigade of which it will form a part.
(*e*) That a proper place will be secured for the safe custody of any Government arms and ammunition which may be issued.

The "Royal Naval Artillery Volunteer Force" takes precedence immediately after the "Royal Naval Volunteers," established by the Act of 1859.

Officers of the Royal Navy Artillery Volunteers rank with, but after, Officers of the Royal Navy and Royal Naval Reserve of their respective ranks.

All Officers of the Royal Navy Artillery Volunteers will be commissioned by the Admiralty.

The Commanding Officers of Brigades will recommend, for the consideration of the Admiralty, names of persons for the appointments and promotion of officers in their Brigades.

In order to enable the Admiralty to judge the qualifications of the persons recommended, the Commanding Officer will forward, with his recommendation, a statement giving the name, age, residence, place of education, and occupation or profession of the Candidate as well as a Medical Officer's Certificate, stating that the Candidate is in good health, and fit to perform the duties of an Officer.

If any person recommended for an appointment as an Officer holds a commission in the Royal Navy or other Force, the nature of such commission should be stated in the letter of recommendation.

Officers on Full Pay in the Navy or Army are not eligible for other than Honorary commissions.

The appointment of an Honorary Commander to a Brigade is allowed, and such Honorary Lieutenants and Honorary Sub-Lieutenants as the Admiralty may think fit to sanction.

The appointments of an Honorary Chaplin and Staff-Surgeon to a Brigade are allowed at the discretion of the Admiralty.

The appointments of all Honorary Officers will cease whenever the Force is called out for actual service, unless the Admiralty shall see fit to accept the services of any such Officers who may volunteer for active service.

Every Officer is required to possess a competent knowledge of his duties, and to give a proper attendance at the drills of his Corps.

No person below the age of 17 is to be enrolled in the Corps without the special authority of the Admiralty.

Boys of 14 years of age and upwards may be enrolled for the purpose of being trained as Buglers.

The course to be adopted as to the discipline of the Volunteers will be found in Part III. of the Naval Artillery Volunteers Act.

Officers and men of the Royal Naval Artillery Volunteers, when in uniform, are to pay the customary marks of respect to such Officers of the Navy, Army, and Auxiliary Forces as are entitled to be saluted by Officers and men of corresponding rank in their own Service.

When Royal Naval Artillery Volunteers are assembled with the Regular Forces of the Army in Camp or for Training, they will be under the "Naval Discipline Act, 1866," in the same manner as if they were on actual service, and will be placed under the immediate command of an Officer of Her Majesty's Navy.

Camp rules will apply in all respects to the Royal Naval Artillery Volunteers.

The Naval Volunteers must perform the Camp duties of fatigue, cooking, &c.

The drills of the Royal Naval Artillery Volunteers will comprise the drills for Great Guns, Rifle, Pistol, and Cutlass, as in the Royal Navy, and no deviation from those drills is to be permitted.

A Badge of Efficiency will be worn by men who were returned as "Efficient" in the last Annual Return of the Brigade.

The Badge will consist of a chevron of silver lace worn on the right arm above the wrist.

Men who have been five times returned as efficient may wear one star, and those who have been returned ten times may wear two stars above the badge.

Volunteers who pass the examination for Trained Man, as in the Royal Navy, will be so designated, and will wear two chevrons of silver lace on the right arm above the wrist.

Every Volunteer must attend at least two drills a month until he has obtained the standard of an "Efficient."

The Uniform to be worn by the Royal Naval Artillery Volunteers is to be of the same pattern as for Officers of the corresponding ranks in the Royal Naval Reserve, with the exception that the words "Royal Naval Artillery Volunteers" and the letters "R.N.A.V." are to be substituted for the words "Royal Naval Reserve" and for the letters "R.N.R." wherever they occur.

EXAMINATION FOR CERTIFICATES OF EFFICIENCY IN NAVIGATION AND SEAMANSHIP.

Board of Trade,
Marine Department,
March 1885.

1. THIS Examination, which is similar to that passed by the Owners of Pleasure Yachts, is at present confined to Officers belonging to, and Candidates for commission in, the Royal Naval Artillery Volunteers.

2. The Certificate which will be issued to successful Candidates is purely honorary, and will not be available under the Merchant Shipping Acts for use in any capacity whatever, on board a Ship which is required to carry a Certificated Officer.

3. The Certificate is chiefly intended to encourage these Officers to attain to greater proficiency in the knowledge of Navigation and Seamanship, and to enable Commanding Officers to test the acquirements of those they recommend to the Admiralty for Commissions.

4. The name of each Officer and Candidate who may desire to be examined must first be submitted to the Board of Trade by the Commanding Officer of the Brigade, together with the name of the Port at which he wishes the Examination to be held.

5. If the application is approved, the Candidate must apply personally at a Mercantile Marine Office to fill up the form of application, Exn. 2, and pay the usual fine of 2*l.* required by the Regulations.

SUBJECTS OF EXAMINATION.

6. *Examination in Colours.*—The Candidate must pass the examination in colours.

7. *In Navigation, &c.*—He will be required to give in writing definitions of various astronomical and other terms used in navigation. He must have a competent knowledge of the first five rules of arithmetic and the use of logarithms. He must be able to work a day's work complete, correcting the courses for deviation, leeway, and variation. He will be required to find the latitude by meridian altitude of the sun, and the difference of longitude from a given departure by parallel sailing; also to find the course and distance from one position to another by Mercator's method. He will be required to find the time of high water at a given port, to observe and calculate the amplitude of the sun, and to find the error of the ship's compass therefrom, and also the deviation, the variation being given. He must be able to find the daily rate of the chronometer from error observed, and to find the longitude from altitude of the sun by the usual methods. He will be required to find the true bearing of the sun, and the error of the ship's compass from an observed azimuth of the sun, both from an altitude and also from the "Time Azimuth Tables," and with the variation given compute the deviation; to find the latitude from a single altitude of the sun off the meridian; also to ascertain the true bearing of the sun and the ship's position by Sumner's method by projection. He must be able to compute the latitude from the meridian altitude of a star, &c.; he must be able to find the magnetic bearing from equidistant compass bearings of any fixed object when at sea, and compute the deviation therefrom. He must construct a deviation curve upon a "Napier's" diagram which will be furnished by the examiner, and understand the practical application of the same, and give written answers to certain practical questions on the effect of the ship's iron upon the compasses, the method of determining the deviation, and compensating same by magnets and soft iron. He must understand the use of the sextant with its adjustments, and be able to observe with it, and find the index error by the horizon, also by the sun, and read off and on the arc. He must also be conversant with the use of Mercator's chart, and be able to find on either a "true" or "magnetic" chart, the course to steer and the distance from one given position to another; and find the ship's position on the chart from cross bearings of two objects; from two bearings of the same object, the course and distance between the bearings being given; also the distance of ship from the object at the time of taking the second bearing. He will be required to find the course to steer by compass in order to counteract the effect of a given current, and to find the distance the ship will make good towards a given point, in a certain time, and to *work out practically* the correction to apply to soundings taken at a given time and place, to compare with the depth marked on the chart. He must also pass a satisfactory examination in the International Code of Signals.

8. *In Seamanship, &c.*—He must give satisfactory answers as to his knowledge of making and taking in sail, and as to the management of a vessel under canvas in moderate, and in stormy weather. He must have a thorough knowledge of the Rule of the Road at sea as regards both steamers and sailing vessels; their regulation lights, and fog and sound signals; and be able to describe the signals of distress, and the signals to be made by ships wanting a pilot, and the liabilities and penalties incurred by the misuse of these signals. He must also understand the use and management of the rocket apparatus in the event of his vessel being stranded. He must be able to mark and use the lead and log lines; to cast a vessel on a lee shore; to moor and unmoor a ship; to keep a clear anchor, and to carry out an anchor. He must know how to keep his vessel out of the trough of the sea in the event of accident. How to rig rafts and jury rudders, &c.; and the steps to be taken if his vessel is disabled or unmanageable or drifting towards a lee shore, and as to his resources for the preservation of the crew in the event of wreck. He must also be able to answer any other questions relating to the management of a vessel (either steam or sailing) which the examiner may think necessary to touch upon.

QUALIFICATIONS FOR THE ORDER OF THE BATH.

Extract from Supplementary Statutes of 24th June 1861.

It is ordained that the Military Division of the Third Class, or Companions, may be increased to six hundred and ninety, and shall not, except under special and temporary exigencies, exceed that number; and that no person shall be nominated thereto who doth not actually hold at the time of his nomination a Commission in our Army or Marines, or in our Indian Military Forces, of or above the rank of Major, or a Commission in our Navy, or in our Indian Naval Forces, of or above the rank of Commander, or a Commission of equivalent or higher rank in the Commissariat Service of our Army, or Indian Military Forces, or in the Medical Service of our Army, Navy, or Indian Military and Naval Forces; nor shall any person be admitted into this Division unless his services have been marked by the especial mention of his name in despatches, as having distinguished himself by his valour and conduct in action against the enemy, in the command of a ship of war, or of our troops, or at the head of a Military Department, or as having by some Active Service, under his immediate conduct and direction, contributed to the success of any such action; provided, nevertheless, and We do hereby delare that this last-mentioned regulation shall not be applicable to Commissariat and Medical Officers, and instead thereof, We further declare, that no Commissariat or Medical Officer shall be competent to be an ordinary member of the Military Division of the Second and Third Classes of the said Order unless it shall appear to us that by his meritorious services in actual war, in providing for the wants of our Army, or of our Indian Military Forces, or in taking care of the sick and wounded Officers, Soldiers, and Seamen of our Army and Navy, or of our Indian Military and Naval Forces, he has deserved such distinction.

REGULATIONS RESPECTING FOREIGN ORDERS.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force.

1. No Subject of Her Majesty shall accept a foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign-Manual.

2. Excepting in the case of Special Complimentary Missions to Foreign Sovereigns, such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field, or unless he shall have been actually and entirely employed beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited to the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Service shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the Queen, a notification thereof shall be inserted in the "Gazette," stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's License and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Applications for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or Navy, should be addressed to the Commander-in-Chief, or the Lords of the Admiralty, as the case may be, who, if they see fit, may submit the same for Her Majesty's sanction; upon obtaining which they may grant such permission without other formality.

2. Any other British Subject, having obtained Her Majesty's permission, is at liberty to accept and wear a Foreign Medal, not being the Decoration of a Foreign Order.

3. No permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, August 1885. SALISBURY.

THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept

Firstly.—It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll bearing this inscription "For Valour."

Secondly.—It is ordained that the Cross shall be suspended from the left breast by a blue riband for the Navy, and by a red riband for the Army.

Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly.—It is ordained, that anyone who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly.—It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly.—It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly.—It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army in which such act has been performed is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly.—It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly.—It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly.—It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly.—It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-Chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly.—It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-Commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly.—It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly.—In order to make such additional provision shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such person as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

QUALIFICATIONS FOR THE VICTORIA CROSS.

Whereas doubts have arisen as to the qualification required for the decoration of the Victoria Cross: And whereas the description of such qualification in our warrant of 29th January 1856 is not uniform:

Our will and pleasure is that the qualification shall be "conspicuous bravery or devotion to the country in the presence of the enemy," and that our warrant of 29th January 1856 shall be read and interpreted accordingly.

It is Our further will and pleasure that officers and men of our auxiliary and reserve forces (Naval and Military) shall be eligible for the decoration of the Victoria Cross under the conditions of Our said warrant, as amended by this Our warrant.

Given at Our Court at Osborne, this 23rd day of April 1881, in the 44th year of Our Reign.

By Her Majesty's command,

HUGH C. E. CHILDERS.

THE ROYAL RED CROSS.

VICTORIA R.

WHEREAS We have been pleased to take into Our consideration the services rendered by certain persons in nursing the sick and wounded of Our Army and Navy, and have resolved specially to recognise individual instances of special devotion in such service; Now, for the purpose of attaining this end, We have instituted, constituted, and created, and by these presents for Us, Our Heirs and Successors, do institute, constitute, and create a decoration, to be designated as hereinafter prescribed; and We are pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—The decoration shall be styled and designated "The Royal Red Cross," and shall consist of a Cross, enamelled crimson, edged with gold, having on the Arms thereof the words Faith, Hope, Charity, with the date of the institution of the decoration; the centre having thereon Our Effigy.

On the reverse side Our Royal and Imperial Cipher and Crown shall be shown in relief on the centre.

Secondly.—The cross shall be attached to a dark blue riband edged red, of one inch in width, tied in a bow and worn on the left shoulder.

Thirdly.—The decoration may be worn by the Queen Regnant, the Queen Consort, or the Queen Dowager of the United Kingdom of Great Britain and Ireland; and it shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any of the Princesses of the Royal Family of Great Britain and Ireland.

Fourthly.—It shall be competent for Us, Our Heirs and Successors, to confer the decoration upon any ladies, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War for special exertions in providing for the nursing, or for attending to, sick and wounded soldiers and sailors.

Fifthly.—It shall be competent for Us, Our Heirs and Successors, to confer this decoration upon any Nursing Sisters, whether subjects or foreign persons, who may be recommended to Our notice by Our Secretary of State for War, or, as the case may be, by the First Lord of the Admiralty through Our said Secretary of State, for special devotion and competency which they may have displayed in their nursing duties with Our Army in the Field, or in Our Naval and Military Hospitals.

Sixthly.—The names of those upon whom we may be pleased to confer the decoration shall be published in the London Gazette, and a registry thereof kept in the office of Our Secretary of State for War.

Lastly.—In order to make such additional provision as shall effectually preserve pure this honourable distinction, it is ordained that if any person on whom such distinction shall be conferred shall by her conduct become unworthy of it, her name shall be erased, by an order under Our Sign Manual, from the register of those upon whom the said decoration shall have been conferred.

And it is hereby declared that We, Our Heirs and Successors, shall be the sole judge of the conduct which may require the erasure from the register of the name of the offending person, and that it shall at all times be competent for Us, Our Heirs and Successors, to restore the name if such restoration should be justified by the circumstances of the case.

Given at Our Court at Osborne, this twenty-third day of April, one thousand eight hundred and eighty-three, in the forty-sixth year of Our Reign.

Fifthly. It is ordained that Foreign Officers who have been associated in Naval and Military operations with Our Forces shall be eligible to be Honorary Members of this Order.

THE ALBERT MEDAL.

WARRANT extending the two DECORATIONS styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS" to cases of Gallantry in Saving Life on Land.

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS a Warrant was given under Our Royal Sign Manual, bearing date the 7th of March 1866, in the 29th year of Our reign, "instituting a new decoration to be styled 'The Albert Medal,'" and such Warrant was in the terms following, that is to say:—

VICTORIA R.

"Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

"Whereas We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea; and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour:

"Now for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents for Us, Our heirs and successors, institute and create, a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained that the distinction shall be styled '*The Albert Medal*,' and shall consist of a gold oval-shaped badge or decoration enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width with two white longitudinal stripes.

"Secondly.—It is ordained, that the Medal shall be suspended from the left breast.

"Thirdly.—It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received the Medal, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medal shall only be awarded to those, who, after the date of this Warrant, have, in saving or endeavouring to save the lives of others from shipwreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given, shall, before receiving the same, enter into an engagement to return the same if his name shall be erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, intituled a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "*The Albert Medal*," and instituting in lieu thereof two new Decorations, to be styled respectively "*The Albert Medal of the First Class*," and "*The Albert Medal of the Second Class*:"

And whereas the Warrant of the 12th day of April 1867, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant, above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled "*The Albert Medal of the First Class*," and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled '*The Albert Medal of the Second Class*,' and shall consist of the like-shaped enamelled Badge, save and except in this Class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant, the 7th March 1866, have in saving or endeavouring to save the lives of others from ship wreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that *The Albert Medal of the First Class* shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in

Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts are graciously pleased to extend the two Decorations styled respectively '*The Albert Medal of the First Class*' and '*The Albert Medal of the Second Class*' to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and establish the following Rules and Ordinances which shall from henceforth be inviolably observed and kept.

First.—It is ordained that "*The Albert Medal of the First Class*," when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letters V. and A., erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that "*The Albert Medal of the Second Class*," when conferred for Gallantry in saving life on land shall consist of the like badge, save and except that it shall be entirely worked in bronze instead of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the "London Gazette," and a register thereof kept in the Office of one of Our Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril within Our dominions, other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of Our Treasury.

Seventhly.—It is ordained, that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that, if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

Given at Our Court at St. James, this Thirtieth Day of April, One thousand eight hundred and seventy-seven, in the Fortieth year of Our reign.

By her Majesty's Command,
(Signed) "RICHD. ASSHETON CROSS.

THE QUEEN has been pleased to issue the following Warrant, under Her Majesty's Royal Sign Manual, amending Warrants regulating the award of the two DECORATIONS styled respectively "THE ALBERT MEDAL OF THE FIRST CLASS" and "THE ALBERT MEDAL OF THE SECOND CLASS," for Gallantry in saving, or endeavouring to save, life at sea and on land.

VICTORIA R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

GOOD CONDUCT MEDALS AND GRATUITIES.—SEAMEN.

676. Men holding any of the ratings specified in Column G. of Appendix VI., who entered the Service prior to the 1st of January 1885, may be recommended for the Good Conduct Medal and Gratuity, under the following rules. Pensioners who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a man to a Medal—

(*a*) He must have served for 10 years with continuous Very Good character, and must never have been awarded a character below Very Good, unless for a period not exceeding one year in his first five years reckoning for pension.

(*b*) He must have been recommended for it on his Certificate for the three consecutive years immediately preceding his application.

(*c*) He must be recommended for it by the Captain under whom he is serving when he becomes eligible.

3. To entitle a man to a Gratuity:—

(*a*) He must have served for 15 years with continuous Very Good character, and must never have been awarded a character below Very Good, unless for a period not exceeding one year in his five first years reckoning for pension.

(*b*) He must have been awarded the Medal and have never forfeited it.

(*c*) He must have been recommended for the Gratuity on his Certificate for the three consecutive years immediately preceding his application.

(*d*) He must have been continuously awarded a character above Good since he received the Medal until pensioned.

(*e*) He must be recommended for it by the Captain under whom he is serving when his pension is applied for.

4. After a man has been awarded seven years of such continuous Very Good character as will under these Regulations count towards the Medal, the Captain will, if the man continues to be Very Good, and he considers him deserving thereof from his invariable Very Good conduct and Exemplary manner of performing his duties, add to the character of Very Good given on his Certificate, whenever he is required to record it, the letters M. R. (Medal Recommended), and after 12 years of such Very Good character, the Captain will in like manner add the letters G. R. (Gratuity Recommended).

5. Exemplary is in all cases to be considered as equivalent to Very Good for Medal and Gratuity purposes.

6. Whenever the Captain sees fit to withhold the required recommendations he will record fully his reason in the Conduct Book.

7. The character given to a man in such portion of under-age service as does not reckon for pension has no effect on his claim to Medal and Gratuity.

8. A break in service caused by a man being invalided will not be considered as breaking the continuity of his Very Good character, or of recommendations for Medal or Gratuity, provided he rejoins as soon as the state of his health will admit and completes the required service.

9. Desertion, reduction to the second class for conduct, imprisonment, or the award of character less than Good during any portion of the time which reckons for pension, shall render a man absolutely ineligible for Medal or Gratuity, except as provided for in clauses 10, 11, and 12.

10. Imprisonment by the Civil Power shall not prejudice a man's claim to the Medal or Gratuity, unless it shall have been so directed by the Admiralty, if the man was serving at home at the time, or, if abroad, by the Commander-in-Chief.

11. In order not entirely to exclude from the honour of a Medal a man who may have committed himself in the early years of his service reckoning for Pension, but who may have since become a Very Good character, the Admiralty, will consider (with reference to the grant of a Medal without Gratuity) the case of any man who can show 15 years of continuous Very Good character, and who has been recommended as prescribed in clause 3, (*b*), of this Article, notwithstanding anything he may have done, or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

12. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

13. The scale for Gratuities shall be as follows:—

	£
Chief Petty Officers, having served as Chief and First Class Petty Officers for not less than 10 years..	20
First Class Petty Officers, having served as such for not less than 10 years ..	15
Second Class Petty Officers, having served as such for not less than seven years..	10
Leading Seamen, having served as such for not less than five years..	7
Able Seamen, and others	5

Gratuities will not be given to men who serve after being pensioned.

14. In cases where the man recommended may not have served the full period to entitle him to the Gratuity applicable to his rating, he shall receive such lower rate with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award him.

15. Lists of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the established form by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the District Captains of Coast Guard, as soon as the men become eligible for them, and when the approval of the Admiralty has been received, the Medals and Gratuities are, when possible, to be presented before the Ship's Company by the Captain of the ship. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the copies of certificate sent into Office.

16. If, pending the presentation of the Medal, the man's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

17. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided; and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

18. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

19. In the case of men in the Service before the 1st of July 1876, previous Very Good character will be allowed to reckon for Medal and Gratuity, provided their conduct had been such as to render them deserving thereof under these Regulations.

20. Between the 1st of July 1876 and 30th June 1880 inclusive, Exemplary character only will reckon towards Medals and Gratuities, and not Very Good.

21. These Regulations apply to the Coast Guard Afloat and on Shore.

676*a*. A Good Conduct Medal will be awarded to any man entered for Continuous or Non-Continuous Service after the 31st of December 1884, provided he serves for 15 years with continuous Very Good character, subject to the conditions stated in Clause 2, and provided he has been recommended for the award by his Captain, on his Certificate, for the three consecutive years immediately preceding his application, and is also recommended by the Captain under whom he is serving when he becomes eligible.

This applies to all boys who were under training, and all boys who were under the age of 18, on the 31st December 1884.

2. Desertion and Reduction to the Second Class for Conduct (except one reduction within the first five years of man's time, provided restoration takes place, within eight months, in consequence of continued good conduct for six months from the date of reduction, under the provisions of Clause 9 of Article 699) will render a man absolutely ineligible for the award of a Good Conduct Medal, except as provided for in the following Clause.

3. While 15 consecutive years of Very Good character, with previous character not inferior to Good, in service reckoning for Pension, will thus be necessary to entitle a man to a Good Conduct Medal, the

Admiralty will nevertheless consider any recommendation which may be made, under special circumstances, on behalf of a man who can show 15 years of continuous Very Good character, although he may be disqualified under Clause 2 for the award of a Medal under the ordinary Regulations.

4. After a man has been awarded 12 years of such continuous Very Good character as will, under these Regulations, count towards the Medal, the Captain is, if the man continues to be Very Good, and if he considers him deserving thereof, to enter in the column provided for the purpose whenever he is required to assess the man's character on his Certificate under Article 723 the letters M. G. R. (Medal and Gratuity Recommended) in the case of a Continuous Service Man, and the letters M. R. (Medal Recommended) in the case of a Continuous Service man. When the assessment is entered on the Conduct Sheet, and not on the Certificate, the letters M. G. R. or M. R. are to be entered thereon.

5. Clauses 6 to 10, and 15 to 18, inclusive of Article 676* will be applicable to men who enter after the 31st of December 1884.

6. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Gratuity at the rate of 1*l.* a year, not to be paid until pensioned, unless he is invalided in the meantime, when he will be paid the proportion due, viz.:—

	£
If discharged after 1 year from date of award or restoration of Medal	1
" " 2 years " " "	2
" " 3 years " " "	3

and so on.

To this will be added for each year's service in the following ratings after the date of the award of the Medal:—

	£	*s.*	*d.*
Chief and 1st Class Petty Officer ..	2	0	0
2nd Class Petty Officer	1	0	0
Leading Seaman..	0	10	0

until the maximum is reached, which will be, for a—

	£	*s.*	*d.*
Chief and 1st Class Petty Officer ..	15	0	0
2nd Class Petty Officer	10	0	0
Leading Seaman..	7	10	0
Able Seaman	5	0	0

7. If a man is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz., 5*l.*, will be awarded.

8. If, after the grant of a Medal, a man is awarded the character of Good, instead of Very Good, the period of service during which the character of Good is awarded will not count for increase of Gratuity, notwithstanding that the Medal has not been taken away.

9. In cases where men who have completed time for pension re-engage for a further period of five or seven years, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the regulations.

10. If a man is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he is then entitled by service.

11. If a man dies after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

12. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a Gratuity.

13. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

IV. GOOD CONDUCT MEDALS AND GRATUITIES. MARINES.

1,137. Marines afloat or ashore, below the rank of Warrant Officer, enlisted prior to the 1st of January, 1885, may be recommended for the Good Conduct Medal and Gratuity under the following rules. Pensioners who return to the Service within five years of their being pensioned may be recommended for the Medal, but not for the Gratuity.

2. To entitle a Marine to the Medal—

a. He must have served for ten years with continuous Very Good character, and must never have been awarded a character below Very Good, unless for a period not exceeding one year in his first five years reckoning for pension;

b. He must have been recommended for it on his Certificate for the three consecutive years immediately preceding his application;

c. He must be recommended for it by the Captain or Commandant under whom he is serving when he becomes eligible.

3. To entitle a Marine to the Gratuity—

a. He must have served for 15 years with continuous Very Good character, and must never have been awarded a character below Very Good, unless for a period not exceeding one year in his first five years reckoning for pension;

b. He must have been awarded the Medal and have never forfeited it;

c. He must have been recommended for the gratuity on his Certificate for the three consecutive years immediately preceding his application;

d. He must have been continuously awarded a character above Good from the time he received the Medal until pensioned,

e. He must be recommended for it by the Captain or Commandant under whom he is serving when his Pension is applied for.

4. After a Marine has been awarded seven years of such continuous Very Good character as will, under these regulations, count towards the Medal, the Captain or the Commandant will, if the Marine continues to be Very Good, and he considers him deserving thereof from his invariable Very Good Conduct and Exemplary manner of performing his duties, add to the Very Good given on his Certificate, whenever he is required to record the Marine's character, the letters M.R. (Medal recommended), and after 12 years of such Very Good character, the Captain or the Commandant will, in like manner, add the letters G.R. (Gratuity recommended).

5. Whenever Exemplary is awarded it shall in all cases be understood as being equivalent to Very Good for Medal and Gratuity purposes.

6. Whenever the Captain sees fit to withhold the required recommendation, he will record fully his reasons in the Conduct Book. In the case of Marines on shore, the Commandant will do so in the corresponding record at the Divisional Head Quarters.

7. The character given to a Marine in such portion of under-age service as does not reckon for Pension has no effect on his claim to a Medal and Gratuity.

8. A break in service caused by a Marine being invalided will not be considered as breaking the continuity of his Very Good character, or of recommendations for Medal and Gratuity, provided he rejoins as soon as the state of his health will admit, and completes the required service.

9. Desertion, fraudulent enlistment, reduction to the Second Class for conduct, imprisonment, or the award of character less than Good during any portion of the time which reckons for Pension, shall render a Marine absolutely ineligible for the Medal or Gratuity, except as provided for in clauses 10, 11, and 12.

10. Imprisonment by the Civil Power shall not prejudice a Marine's claim to the Medal or Gratuity unless it shall have been so directed by the Admiralty, if the Marine was serving at home, or, if abroad, by the Commander-in-Chief.

11. In order not entirely to exclude from the honour of a Medal, a Marine who may have committed himself in the early part of his service reckoning for Pension, but who may have since become a Very Good character, the Admiralty will consider (with reference to the grant of a Medal without Gratuity) the case of any Marine who can show 15 years of continuous Very Good character, and who has been recommended as prescribed in clause 4 of this Article, notwithstanding anything he may have done or any character which may have been awarded to him, except Bad or Indifferent, in his previous service.

12. The Admiralty will also consider the case of any Marine who would be excluded under the foregoing regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise; in such cases, however, a Gratuity will not be awarded.

13. A Marine to whom a Medal has been awarded may be deprived of it summarily by warrant, under the hand of his Captain, for subsequent misconduct,

subject to the ultimate approval of the Commander-in-Chief, or Officer in command of the Station, or by the Commandant of Royal Marines; the deprivation is always to take place publicly, and will carry with it the forfeiture of any claim to Good Conduct Gratuity on discharge. The Medal is to be returned to the Accountant-General.

14. If a Non-commissioned Officer holding a Good Conduct Medal is reduced for misconduct he is to be absolutely deprived of his Medal.

15. Desertion, disrating for misconduct, reduction to the 2nd Class for conduct, imprisonment by the Civil Power or otherwise, or the award of a character inferior to Very Good after a Medal has been awarded, entails forfeiture of the Medal, except as provided for in the following Clause 16; but if pensioned within 12 months of his deprivation and before regaining the Medal, the man will be considered in regard to Pension as in possession of the Medal.

16. A Marine may be deprived of his Medal without being deprived of any Good Conduct Badge; and it is left to the discretion of the Captain or the Commandant to take away one Badge without depriving a Marine of his Medal.

If a Badge is taken away without loss of Medal, the Medal is not to be worn until the Badge is regained.

If the Badge is not regained within 12 months from the date of deprivation the Medal is absolutely forfeited, and the deprivation is to take place publicly.

If two or more Badges are taken away, and not one only, or if a Marine loses a second Badge, his Medal is absolutely forfeited, and the deprivation is to take place publicly.

17. The Good Conduct Medal of a Marine which has been forfeited for misconduct under any of the foregoing clauses may, with the sanction of the Admiralty, be restored on the completion of his time for Pension, provided his character during the last five years of his service has been Very Good.

18. Notations on Parchment Certificates are to be made in all cases of suspension and restoration of Medal in consequence of the loss of a Badge; and also in all cases of absolute forfeiture.

19. The scale for Gratuities for Marines enlisted before 1st January 1885 shall be as follows:—

	£
Non-commissioned Officers in Class 1, Art. 1,147, having served as Staff-Sergeants and Sergeants of Royal Marines for not less than 10 years - - - -	20
Sergeants in Classes II., III., and IV., Art. 1,147, having served as such for not less than 10 years- - - - -	15
Corporals and Bombardiers, having served as such for not less than 7 years - -	10
Gunners, Privates, Musicians, and Buglers	5

Gratuities will not be given to Marines who serve after being pensioned.

20. In cases where the Marine recommended may not have served the full period to entitle him to the Gratuity applicable to his rank, he shall receive such lower rate, with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award him.

21. Lists of Marines recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the established form, by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the Commandants of Royal Marines, through the Deputy Adjutant-General, as soon as the Marines become eligible for them; and when the approval of the Admiralty has been received, the Medals and Gratuities are to be presented before the Ship's company by the Captain of the Ship, and in the case of Marines on shore, by the Commandants on parade. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the Copies of Certificates sent into office.

22. If, pending the presentation of the Medal, the Marine's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

23. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided; and that, in the event of a Marine who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed 15 years of service reckoning for Pension, in which case he may retain it. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

24. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

25. In the case of a man who has served in the Army prior to joining the Royal Marines, and whose former (Army) service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army, as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with clauses 2 and 3.

26. In the case of Marines in the Service before the 1st July 1876, previous Very Good character, will be allowed to reckon for the Medal and the Gratuity, provided their conduct has been such as to render them deserving thereof under these regulations.

27. Between the 1st July 1876 and 30th June 1880 inclusive, Exemplary Character only will reckon towards Medal and Gratuity and not Very Good.

1,137A. A Good Conduct Medal will be awarded to any Marine below the rank of Warrant Officer enlisted after the 31st of December 1884, provided he serves for 15 years with continuous Very Good character, subject to the conditions stated in Clause 2, and provided he has been recommended for the award by the Captain of his Ship, or Commandant of his Division, on the Certificate, for the three consecutive years immediately preceding his application, and is also recommended by the Captain of the Ship, or Commandant of the Division, under whom he is serving when he becomes eligible.

This applies to all Marines who were under the age of 18 on the 31st December 1884.

2. Desertion and Reduction to the Second Class for Conduct (except one reduction within the first five years of man's time provided restoration takes place within 8 months in consequence of continued good conduct for 6 months from the date of reduction under the provisions of Clause 9 of Art. 699) will render a man absolutely ineligible for the award of a Good Conduct Medal, except as provided for in the following clause.

3. While 15 consecutive years of Very Good character, with previous character not inferior to Good in service reckoning for Pension, will thus be necessary to entitle a Marine to a Good Conduct Medal, the Admiralty will nevertheless consider any recommendation which may be made, under special circumstances, on behalf of a Marine who can show 15 years of continuous Very Good character, although he may be disqualified under Clause 2 for the award of a Medal under the ordinary regulations.

4. After a Marine has been awarded 12 years of such continuous Very Good character as will, under these Regulations, count towards the Medal, the Captain of his Ship, or the Commandant of his division, is, if the Marine continues to be Very Good, and he considers him deserving thereof, to enter in the column provided for the purpose, whenever he is required to assess the man's character on his Certificate under Art. 723, the letters M.G.R. (Medal and Gratuity Recommended).

When the assessment is entered on the Conduct Sheet, and not on the Certificate, the letters M.G.R. are to be entered thereon.

5. Clauses 6 to 10, 13 to 18, and 21 to 25, inclusive, of Art. 1,137, will be applicable to Marines who enter after the 31st of December 1884.

6. From the date of the award or restoration of a Medal, a Marine, provided his character is maintained, will commence earning a Gratuity at the rate of 1l. a year, not to be paid until pensioned, unless he is invalided in the meantime, when he will be paid the proportion due, viz.:—

If discharged after	£
1 year from date of award or restoration of Medal	1
2 years " "	2
3 years " "	

and so on.

Sergeant in Classes II., III., and IV. -	10	0	0

7. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity viz. 5*l.* will be awarded.

8. If, after the grant of a Medal, a Marine is awarded the character of Good, instead of Very Good, the period of service during which the character of Good is awarded will not count for increase of Gratuity, notwithstanding that the Medal has not been taken away.

9. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he is then entitled by service.

10. If a Marine dies after the award of his Medal, any Gratuity to which he may be entitled may be paid to his widow, or next of kin if dependent upon him.

11. Any Marine voluntarily quitting the Service before being entitled to a pension will not be entitled to a Gratuity.

LAND PRIVILEGES IN THE COLONIES TO NAVAL AND MILITARY OFFICERS.

This notice is issued by the Secretary of State for the Colonies, for the information of Officers wishing to retire from Her Majesty's Naval or Military Service, for the purpose of settling in those Colonies, which offer privileges to that class of settlers in the acquisition of Crown lands.

1. *Colonies which offer Privileges.*

The only Colonies which now offer land privileges to Naval and Military Officers are British Columbia (Mainland) and Honduras.

2. *Officers entitled to Privileges.*

The Officers to whom such privileges are offered are (*a*) Naval Officers of the Military Branch, of all grades not lower than that of Sub-Lieutenants; Military Officers of all grades not lower than that of Subalterns of seven years' standing; (*c*) Regimental Staff Officers; and (*d*) Medical Officers of both Services, of not less than five years' standing.

3. *Officers not entitled to Privileges.*

The Officers not entitled to land privileges are, Naval and Military Chaplains; Commissariat Officers; Subalterns under seven years' standing; Medical Officers of less than five years' standing; Midshipmen; Cadets; Warrant Officers of every description; Officers of any of the Civil Branches of the Navy or Army; and, lastly, Officers who have ceased for the space of three calendar months to belong to Her Majesty's Service, and have not obtained the Memorandum of Rank and Service hereinafter mentioned.

4. *Nature and Extent of Privileges.*

In British Columbia (Mainland) a certain quantity of land is granted in lieu of remission of purchase money. In the other above-named Colonies, land must be purchased under the land regulations for the time being in force in the Colony, and a certain amount of the purchase money is then remitted. These allowances are regulated by the rank and length of Service of the Officer as shown in the following scales, viz.:—

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " "	500
Field Officers of 15 " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less in the whole	300
Subalterns of 20 years' service, and upwards in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

In Honduras a remission of purchase money is allowed in the acquisition of lands according to the following scale, viz.:—

	£
Field Officers of 25 years' service and upwards, in the whole	600
Field Officers of 20 " "	500
Field Officers of 15 " "	400
Captains of 20 years' service and upwards, in the whole	400
Captains of 15 years' service or less, in the whole	300
Subalterns of 20 years' service and upwards, in the whole	300
Subalterns of 7 years' service and upwards, in the whole	200

Naval Officers receive allowances corresponding with their relative rank to Officers in the army as prescribed in Her Majesty's Order in Council of 11th June, 1863.

5. *Memorandum of Rank and Service.*

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man, from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same Officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. *Location Ticket.*

As the sole object of the Regulations is to encourage *bonâ fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. *Crown Grant.*

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bonâ fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follow:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. *Lapse of Claim of Crown Grant not applied for in time*

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. *Land not transferable until Grant issued.*

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. *Provision in case of Death.*

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorized to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. *Permanence of the Regulations cannot be guaranteed.*

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.

The above list is issued for the information of Captains of Her Majesty's Ships with reference to the provisions of Article 85 of the Queen's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of Her Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign :—

(*a.*) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b.*) If the number of Naval Reserve men on board is less than 10, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of Her Majesty's Ships, or by some unavoidable casualty.

(*c.*) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(*d.*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant, the Blue Ensign should be seized and the case reported to the Admiralty

By command of their Lordships,

EVAN MACGREGOR.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full and Half-pay depend upon actual service.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE QUEEN'S REGULATIONS.—1887.

he relative rank of Officers of the Navy with each er and with Officers of the Army shall be as laid vn in the following Table, and shall in every case e effect according to the dates of their respective missions, or appointments, except when the rela- rank is dependent on the attainment of seniority completion of service, in which case it shall take ct from such attainment of seniority or completion ervice in the particular rank:—

(For Table, *as modified by Order in Council of 17th February* 1886, *see* p. 494.)

othing contained in these regulations is to give a n to any Officer of the Navy to assume command Her Majesty's Land Forces on shore, nor to any cer of the Army to assume command of any of Her jesty's squadrons or Ships, or of any of the Officers nen thereunto belonging, unless under special au- rity from the Government in England for any par- lar Service. But when Officers of the Navy are loyed on shore, on joint service with Her Majesty's d Forces, their relative rank shall carry with it all decence and advantages attaching to the rank with ch it corresponds (except command as aforesaid), shall regulate the choice of quarters, rates of ging money, servants, forage, fuel, and light, or wances in their stead.
he precedence of the Naval Commander-in-Chief in East Indies is regulated by the Royal Warrant of cedence in India.

Under the regulations formerly in force, the precedence of the Officer in command of Her Majesty's Forces in any Colony, was dependent on the question whether or not he was entitled to administer the Government of the Colony in the absence of the Governor. But the alteration of circumstances has rendered this arrangement in some cases inconvenient or anomalous, therefore it is Her Majesty's pleasure that the following rules be now observed in the Colonies in regard to the precedency of Military and Naval Officers in command of Her Majesty's Forces:—

a. The Senior Officer in command of the troops, if of the rank of a General, and the Officer in command of Her Majesty's Naval Forces on the Station, if of the rank of an Admiral, are to have precedency next after the Governor, their own relative rank being determined by the Queen's Regulations on that subject.

b. The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of Her Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the Queen's Regulations on that subject.

c. If below the rank of Colonel or Lieutenant-Colonel, the Senior Officer in command of the Troops, and the Officer in command of Her Majesty's Naval Forces on the Station, are to continue to take rank, as has heretofore been the case next after the Solicitor-General.

A specimen helmet and puggaree has been supplied to each foreign station for convenience of reference and the guidance of officers: but while the shape and colour of helmet and puggaree are to be strictly adhered to, the material and thickness of the helmet may be made dependent on the nature and requirements of the climate in which it is to be worn, subject to the approval of the Commander-in-Chief.

NAVAL CADETS.—REGULATIONS RESPECTING CADETS WHILE UNDER TRAINING.

(For the information of Parents and Guardians.)

1. The Naval Cadets who join the "Britannia" are allowed four terms—two in each year—to complete their course of study;—at the expiration of which they go up for final examination.

2. The terms are from about the 1st February to the 15th July, and from about the 31st August to the 20th December; and the vacations will be six weeks at Midsummer, five weeks at Christmas, and two weeks at Easter; the dates of commencement of vacations depending upon the completion of the examinations by the President, Royal Naval College, Greenwich.

In the event of non-payment, although the Cadets will not be refused admission into the Ship while their friends are being communicated with, they will not be considered as entered for tuition until the amounts have been received.

"Gardiner's Outlines of English History" (Longn's) has been selected as the present text book for amination in English History. The subject will be ided into three periods, as follows:—
amination to be held in November 1888, A.D. 1066-1485

The personal expenses incurred by the Cadet for washing, repairing boots and clothes, hair-cutting, &c., will also be charged to the Parent.

Captains of Cadets are paid 2s. and Chief Captains 2s. 6d. a week pocket-money, but of this sum only the ordinary allowance of 1s. will be charged to the Cadet.

A certificate, drawn up in the necessary Form, will be given to each Cadet before he proceeds on leave, and failure on his part to produce this certificate, duly filled up and signed, on his return to the "Britannia," will entail the possibility of his being isolated for observation before he is allowed to resume his duties with the other Cadets.

12. Should Cadets bring valuable Gold Watches and Chains with them to the Training Ship, they will be taken from them and placed in security until their return to their homes. Silver Watches will be allowed to be used.

THE GOODENOUGH MEDAL AND FUND.

The Goodenough Fund—founded in memory of the late Captain James G. Goodenough, C.B., C.M.G., who died on 20th August 1875, whilst serving as Commodore on the Australian Station, from wounds inflicted with poisoned arrows in an unprovoked attack by natives of Santa Cruz—consists of a sum of about 800*l.* The interest of this sum is employed annually in providing a Gold Medal, called the Goodenough Medal, which is conferred on the Sub-Lieutenant who, when qualifying for the rank of Lieutenant, passes the best examination of his year in Gunnery, provided he has also taken a first-class certificate in Seamanship. Any balance that remains, after payment of expenses, is also handed over to him.

THE GILBERT BLANE MEDAL.

In 1830 the late Sir Gilbert Blane, Bart., formerly a member of the Board for sick and wounded seamen, established, with the sanction of the Board of Admiralty, for the encouragement of Naval Medical Science, a fund vested in the Corporation of the Royal College of Surgeons of London, in trust, for the purpose of conferring a gold medal once in every two years on each of the two Medical Officers (Fleet or Staff Surgeons, or Surgeons) who shall produce the most approved journals of their practice "in the form in which they have been kept from day to day" when in Medical charge of a ship of war in the Royal Navy.

The Presidents of the Colleges of Physicians and of Surgeons, and the Medical Director General of the Navy award the medals biennially for the two best journals sent into office during the preceding period of two years.

THE NEWMAN MEMORIAL FUND AND PRIZE.

The Newman Memorial Fund—founded in memory of the late Mr. Edward Newman, R.N., who died while serving as Chief Engineer of H.M. Dockyard at Portsmouth—consists of a sum of about 400*l.* The interest of this sum is employed annually in providing a prize, consisting of books, scientific instruments, &c., which is conferred on the Engineer Student who, on the completion of his training, obtains in the examination for entry in the Royal Navy the highest total number of marks for Practical Engineering, Practical workmanship and knowledge of engine room duties; ability, skill and conduct at work during the period of training.

Practical Gunnery and Torpedo instruction is given in the training establishments at Portsmouth and Devonport.

3. Their Lordships are desirous that Lieutenants should, as soon as possible after their promotion to that rank, avail themselves of the advantages of the College. The regulations specify conditions which are intended to remove any pecuniary difficulties in attending the College; and special consideration for appointments is given to Lieutenants who, whilst at the College, give proof of industry and intelligence.

4. Officers are not, unless under exceptional circumstances, permitted to rejoin for an additional period of study beyond that laid down in the Regulations until after an absence of four years (two of which must have been spent on active service.)

5. Captains, Commanders, Staff-Commanders, and Chief Engineers, taking advantage of the instruction at the College may reside outside the precincts if they desire it. All other Officers admitted as Students must occupy rooms in the College and join in the appointed Mess, unless special permission is obtained to reside outside. The rooms are provided with necessary furniture except bed-linen and blankets.

6. Officers not making satisfactory progress will not be allowed to remain as Students at the College.

7. Officers and others connected with the Public Service, and Officers of the Mercantile Marine, are, on application to the President of the College, allowed to attend special courses of Lectures without being admitted as Students.

8. The usual period of study at the College consists of one "Session," extending from 1st October to 30th June, during which a course for each class of Students is completed. The exceptions are—

(1.) All the Students of Naval Architecture, the Assistant Engineers undergoing a full course of three sessions, and the private Students of Marine Engineering.
(2.) The probationary Lieutenants of Royal Marine Artillery whose course extends over two sessions.
(3.) Such of the voluntary Students as are allowed to remain for a second session.

9. During this nine months' session there are vacations for ten days at Christmas and a week at Easter, thus dividing the session into three terms.

10. This sessional arrangement does not apply to the Acting Sub-Lieutenants who come to the College in detachments monthly, and remain for six months' study; these Officers have a six weeks' vacation at Midsummer commencing 30th June, and a month at Christmas. They are also allowed a week at Easter, and five days at Michaelmas.

11. The hours appropriated for study and lectures are,—

In the morning from 9 to 12.50.
In the afternoon from 2 till 4.

Instruction in connection with the Naval Architecture and Marine Engineering, and practical work in the Laboratories for Physics and Chemistry, are continued until 5 p.m.

12. The Class-rooms are closed at noon on Saturdays and, during the Winter, on Wednesday afternoons. Certain Class-rooms are specially left open after study hours for the convenience of Officers wishing to study in the evenings.

REGULATIONS AS TO OFFICERS ENTERING THE COLLEGE FOR FIXED COURSES OF STUDY.

Lieutenants qualifying for Gunnery or Torpedo Officers.

13. Lieutenants desirous of qualifying as Gunnery or Torpedo Officers must have served one year at sea as Lieutenant before commencing their studies. They remain one session at Greenwich, which is devoted to theoretical instruction, before commencing their practical course on board H.M. Ships "Excellent" and "Vernon."

14. The subjects of examination and particulars as to the marks necessary to qualify for Certificates are given in Art. 757 (p. 264) of the Queen's Regulations and Admiralty Instructions as regards the Gunnery course, and in the Addenda of 1880, Art. 38, as regards the Torpedo course.

15. At the end of the Session, Certificates are given in two classes, according to the results of the examination.

Officers who obtain First Class Certificates are allowed to return to the College on the ensuing 1st October for a three months' advanced course of instruction in Applied Mathematics and Mechanics, if they elect to do so.

16. Officers qualifying are borne in H.M.S. "Excellent" or H.M.S. "Vernon" for Full Pay during their course of study.

Candidates for Naval Instructorships.

17. Gentlemen who applied for appointments as Naval Instructors are permitted to prepare at Greenwich for their final examination, after having undergone a preliminary examination in Mathematics, Latin, and French before the Civil Service Commissioners.

18. The period of study at the College is nine months, unless the Candidate be prepared to pass the final examination sooner. At its termination the Candidate is finally examined in the following subjects, in each of which he is required to show that he possesses a satisfactory knowledge:—

Navigation and Nautical Astronomy.
Nautical Surveying.
Practical use of Instruments.
Steam Engine.
Meteorology.
Physics.

Chemistry, Drawing, French (more advanced than at the preliminary examination) are optional subjects of examination for which due credit is given. A certificate is granted on the result of the examination.

19. Candidates are accommodated in the College during their period of study, and receive 1s. 6d. a day towards their Mess expenses. If they have received Commissions as Chaplains in the Navy they may, at the discretion of their Lordships, be allowed the half-pay of that rank.

22. During the period of study, Acting Sub-Lieutenants are borne on the books of H.M.S. "Excellent."

Probationary Lieutenants, Royal Marine Artillery.

23. Candidates successful at the Examinations held periodically by the Civil Service Commissioners are appointed Lieutenants on probation, and proceed to Greenwich on the ensuing 1st October.

24. The subjects of study and examination are:—
Pure and Applied Mathematics.
Fortification.
Military Tactics.
History.
Surveying.
Drawing.
Physics.
Chemistry (in second session).
French and German.

25. Those who pass a satisfactory examination at the end of the first session after entry remain at the College for another session, at the end of which they are again examined, and if they pass satisfactorily are awarded certificates of qualification, and will proceed to H.M.S. "Excellent" for instruction in naval gunnery and torpedo. Should they pass in these subjects, they will receive Commissions in the Royal Marine Artillery, in order of merit at the final College examination, bearing date from the time they received their probationary appointments.

26. Probationary Lieutenants who do not pass a satisfactory examination at the end of their first or second session are excluded from the Royal Marines.

[This paragraph is shown as amended by Regulations of September 1884.]

Officers of the Engineer Branch.

28. A number not exceeding three Chief Engineers and fourteen Engineers who have not had the advantage of study at South Kensington or Greenwich may be admitted annually as students, provided they can be spared.

They are examined provisionally before entry, remain one session at Greenwich, and are examined before leaving in the subjects which they have studied.

29. During their period of study at Greenwich, Chief Engineers are allowed the amount of their full pay; Engineers are borne on the books of one of Her Majesty's Ships. All receive 1*s.* 6*d.* a day towards the mess.

30. Engineer Students, after spending six years at one of the Dockyards, are examined as to their theoretical and practical qualifications, and those found qualified proceed to Greenwich as Acting Assistant Engineers on the 1st October succeeding the Examination.

Those Engineer Students who fail to pass this Examination are allowed to remain one year longer at the Dockyards, and are then re-examined, when, if they are unable to pass, they cease to be eligible for the rank of Naval Engineer.

31. Acting Assistant Engineers remain at Greenwich for one session for study. They are examined on completion of the session, and receive Certificates in three classes. Those taking a First-Class Certificate receive Commissions dated the same day as their acting appointment. Those taking a Second-Class Certificate receive Commissions dated six months after the date of their acting appointments, and those taking a Third-Class Certificate receive Commissions dated the day after their discharge from the College. The additional time given for First and Second-Class Certificates reckons in all respects as time served as Assistant Engineer. In the event of any Acting Assistant Engineer failing to pass satisfactorily at the final examination, his Commission is withheld for such a period as may be determined on by their Lordships.

32. Two Assistant Engineers are selected from those who take the highest place at the examination on the completion of the course at Greenwich to pass through a further course of scientific instruction if they desire it. These two are allowed to remain two more sessions at Greenwich at the end of which they receive Professional Certificates of first, second, or third Class after examination.

33. Those passing the second and third sessions at Greenwich are attached during the vacation between 30th June and 1st October to the Dockyards or Steam Reserves, where they are employed sketching machinery, attending trials of new and repaired engines, and gaining such professional information as will be useful to them for the purpose of Engine design.

34. No Assistant Engineer who has passed three sessions at Greenwich is allowed to leave Her Majesty's Service within seven years of the completion of his term at Greenwich unless he shall pay the sum of 50*l.* to defray the charges of his education—such remission to be subject in each case to their Lordships' approval.

35. Acting Assistant Engineers and Assistant Engineers are borne on the books of one of Her Majesty's Ships during the period of study at Greenwich.

36. Acting Assistant Engineers, while at Greenwich are provided with quarters, and during their first session are paid 6*s.* a day, and 1*s.* 6*d.* a day towards the mess. Assistant Engineers selected for further study receive their full pay, and 1*s.* 6*d.* a day towards the Mess.

They remain there three sessions, passing the vacation between 30th June and 1st October at one of the Dockyards.

At the end of the third session they receive Professional Certificates of first, second, or third Class according to the results of the final examination.

40. If found well qualified at the completion of the course at Greenwich they may be sent to sea in one of Her Majesty's Ships for one year if their Lordships think it desirable, and then appointed Supernumerary Draughtsmen and employed temporarily as Assistants to the Foremen of the Dockyards or in any other way for which they may be considered fit. In cases in which their Lordships do not deem it desirable to send them to sea, they are at once appointed to situations as above at the several Dockyards.

41. Facilities are afforded for the admission of persons unconnected with the Naval Service to the course of study laid down for the Government Students of Naval Architecture and of Marine Engineering. Such persons may include Foreigners (not exceeding two of the same nationality) on request from the Representatives of the respective Governments.

42. The Fee, payable in advance, is 30*l.* for one session, or 75*l.* for the entire course of three sessions.

RVICE REQUIRED TO QUALIFY OFFICERS FOR PROMOTION TO FLAG RANK ON THE ACTIVE OR RETIRED LISTS.

ORDER IN COUNCIL, No. 11.—C.

At the Court at Osborne House, Isle of Wight, *The 4th day of August* 1873.

Present:

he QUEEN'S most Excellent Majesty in Council.
HEREAS there was this day read at the Board a Meorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 1st of August , in the words following, viz.:—
"Whereas in your Majesty's Order in Council of 22nd ruary 1870, governing the promotion and retirement of Flag Officers and others of Your Majesty's et, clause six of section two appoints as follows:—
'Captains retired from that rank to be entitled to rise by seniority to the rank of Retired Rear-Admiral, if before retirement they had served the time to qualify them for promotion.'
And whereas we are of opinion that this condition be modified, we humbly propose to Your Majesty t the clause above recited be cancelled, and the owing substituted:—
Captains who have been, or who may in future be, retired from the rank under Your Majesty's Order in Council of 22nd February 1870, to be entitled to rise by seniority to the rank of retired Rear-Admiral if they have served three years as Captain in mand of a Ship of War at sea."
ee Order in Council, 4th August 1875, cancelling

"And whereas clause five of section two of Your Majesty's said Order in Council is as follows:—
"'To qualify a Captain whose seniority brings him in turn for advancement to the Active List of Flag Officers he must have completed six years' Sea Service as Captain, or its equivalent in Harbour Service, but the first three years of such period must be Sea Service in command of a Ship of War at sea. Such Officers as arrive at their turn for promotion without having completed the qualifying Service to be retired.'
"And whereas in section five which defines 'Harbour Service,' clause two contains the following subclause:—
"'(*a*) Service in Harbour Ships or their Tenders (with the exception of the Harbour Ships and Tenders at Ascension, Port Royal, Hong Kong, and Rio de Janeiro, and at such other Foreign Ports as we may determine), and Service in First Reserve (Coast Guard) Ships, after the first three years of such Service, such first three years to reckon as Sea Service.'
"And whereas we are of opinion that the above recited clauses may render it unduly difficult for Captains who, as Lieutenants qualified in Harbour Ships as Gunnery Lieutenants, and also in some other special cases, to obtain the amount of Service required to qualify them for promotion to Flag Rank.
"We therefore humbly propose to Your Majesty that the sub-clause above recited of the second clause

of the fifth section of Your Majesty's said Order in Council be cancelled and the following sub-clause substituted :—

"(*a*) Service of an Officer when borne on the books of any Harbour Ship, or of any First Reserve (Coast Guard) Ship, subject to the following exceptions :—

"1. Three years served in any Harbour Ship or First Reserve (Coast Guard) Ship, or in any Tender to such Ship, as Lieutenant or Commander, or in those ranks combined, shall count as Sea Service, but not as Sea Service in a Ship of War at sea.

"2. Three years served either before or after 1st August 1873, or partly before and partly after that date, as Captain in command of any Harbour Ship or First Reserve (Coast Guard) Ship, or any Tender to such Ship, shall count as Sea Service, but not as Sea Service in a Ship of War at Sea.

"This shall not apply to any Officer who retired before 1st August 1873.

"3. Service subsequent to 1st August, 1873, in Tenders to Harbour Ships and to First Reserve (Coast Guard) Ships at Home, and in Harbour Ships Abroad, and their Tenders, shall, in such cases as we may direct, count as Service in a Ship of War at sea."

[Under this power Tenders to First Reserve Ships have been allowed to count as service in a ship of War at sea.

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) EDMUND HARRISON.

ORDER IN COUNCIL. No. 22.—C.W.

At the Court at Windsor,
The 4th day of December 1878.
Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 3rd December 1878, in the words following, viz. —

"Whereas by clause eight, section one, of Your Majesty's Order in Council of 22nd February 1870, it is established that—

"'Rear-Admirals shall not be eligible for promotion to the rank of Vice-Admiral on the Active List until they have completed one years' Sea Service, or its equivalent in Harbour Service as Flag Officer; but such officers as arrive at their turn for promotion without having completed the qualifying service, and not having attained their time for retirement, to remain on the Active List and qualified for promotion, or until retired; if promoted, to take rank according to former seniority.'

"And whereas Your Majesty's subsequent Order in Council of 5th August 1875, with a view to providing temporarily for a more uniform flow of advancement to the ranks of Flag Officer, Captain, Commander, and Lieutenant in Your Majesty's Navy, authorised an increase, by 10, of the number of Rear-Admirals as laid down in the Order in Council of 22nd February 1870, by which increase, in consequence of the limited number of appointments open to that rank, it is rendered impossible to provide for every Officer obtaining the necessary qualifying service before he arrives at his turn for promotion;—We do most humbly submit that, in order to avoid the necessity of passing over Officers who are, in other respects, well qualified for advancement. We be empowered to cancel the before recited clause of Your Majesty's Order in Council of 22nd February 1870, and to supplement the power conferred by the same Order in Council so far as refers to the compulsory retirement of Admirals and Vice-Admirals by the following provision, viz. :—

"'Flag Officers who have not hoisted their flag as Flag Officers, to be retired at the age of 60.'

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the cost of this proposal."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

C. L. PEEL.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th December 1871, in the words following, viz. :—

"Whereas Your Majesty, by Order in Council of 22nd February 1870, was graciously pleased to establish Regulations for the Promotion and Retirement of Officers of the Royal Navy: And whereas we are of opinion, in view of the small number of promotions that have taken place during the past year, that it is expedient to provide for the immediate advancement of a limited number of the present Commanders and Lieutenants, and also to diminish the restrictions on the promotion of Commanders, Lieutenants, and Sub-Lieutenants, imposed by Your Majesty's aforesaid Order in Council, until such time as the Active List of Captains, Commanders, and Lieutenants shall be reduced to the numbers thereby established: And whereas we are further of opinion that it is expedient to make other amendments in the temporary provisions of the said Order in Council, and also that it is necessary to establish regulations for the retirement of Sub-Lieutenants.

"We would, therefore, most humbly submit to Your Majesty—

"1. That we be empowered to promote ten Commanders to the rank of Captain, and ten Lieutenants to the rank of Commander, from this present date.

"2. That until the list of Captains is reduced to one hundred and fifty, we be authorised to promote Officers to vacancies caused by retirement, according to the following scale :—

"(*a.*) One Commander in every vacancy which now exists, or which shall hereafter arise, on the List of Captains, due to the retirement of Admirals.

"(*b.*) One Commander in every two vacancies which now exist, or shall hereafter arise, on the List of Captains, due to the retirement of Vice-Admirals, Rear-Admirals, or Captains.

"(*c.*) One Lieutenant in each vacancy arising on the List of Commanders from the above promotions.

"3. That we be further authorised, until the List of Commanders is reduced to two hundred, to promote one Lieutenant in every two vacancies now existing or in future arising from the retirement of Commanders.

"4. All vacancies arising from deaths, resignations, &c., to be filled up as they occur.

"5. That until the List of Sub-Lieutenants is reduced to two hundred and fifty, we be authorised to confer promotion on any Sub-Lieutenant who is, in our opinion, worthy of advancement, although such promotions may cause the List of Lieutenants to be temporarily in excess of the numbers authorised by your Majesty's aforesaid Orders in Council.

"6. Captains who were promoted to that rank before the 1st April 1870, and who elected the new regulations for retirement, to be allowed, if physically unfit, or if they have not served for seven years, on retirement the amount of retired pay not less than that to which they would have been entitled to receive under the regulations which were in force prior to the 1st April 1870.

"7. Sub-Lieutenants to be compulsorily retired at the age of forty, or at any age if physically unfit for service.

"8. Until the List of Sub-Lieutenants is reduced to two hundred and fifty, any such officers to be allowed, with their consent and at our discretion, to retire irrespective of age.

"9. Retired Pay to be granted as follows :—After three years' seniority, 3*s.* 6*d.* per diem, an additional 6*d.* being given for each complete year beyond three served as Sub-Lieutenant until the maximum is reached, viz., 6*s.* per diem.

"10. Officers who, in our opinion, are not deserving of receiving retired pay on the above scale to be

anted such low rate of pay as we may think fit to ard them.

'11. Service for retired pay to be calculated in ordance with the provisions of Your Majesty's der in Council of 22nd February 1870, relating to ıe Officers, Captains, Commanders, and Lieutenants, ıe during which a Sub-Lieutenant may be on half- y after he has served three years in that rank to ıkon in the proportion fixed by the Order in uncil.

'12. Sub-Lieutenants to be allowed, at their own quest and with our consent, to commute their ired pay under the rules laid down by the Lords missioners of Your Majesty's Treasury for administering the Act 34 and 35 Vict., cap. 56.

'13. The existing rules as to half-pay to Sub-Lieuants while on the Active List to remain in force.

We therefore most humbly submit that Your jesty will be graciously pleased to sanction these angements, which have received the concurrence the Lords Commissioners of Your Majesty's easury."

Her Majesty having taken the said Memorial into nsideration was pleased, by and with the advice of r Privy Council, to approve of what is therein proed; and the Right Honourable the Lords Comssioners of the Admiralty are to give the necessary rections herein accordingly.

No. 29.—C.W.

At the Court at Windsor,

The 29th day of November 1879.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 27th of November 1879, in the words following, viz.:—

"Whereas we have had under our consideration the effect of Your Majesty's Orders in Council of 22nd February 1870, and 5th February 1872, both as regards the limitation of the number of Lieutenants in Your Majesty's Fleet and the restrictions for the promotion of Officers to that rank, and whereas the Navigating Class of Your Majesty's Fleet is being rapidly reduced on account of the special entries for that class having been for some time past discontinued.

"We are of opinion that it is necessary:—

"1. To increase the number of Lieutenants for executive duties;

"2. To supplement in addition, but gradually, the List of Lieutenants as substitutes for the Navigating Officers; and

"3. To make better provision for the promotion of Sub-Lieutenants.

"We do most humbly submit that Your Majesty will be pleased to sanction:—

"1. That the number of Lieutenants for Executive duties shall be 800.

"2. That we be authorised to increase that number of Lieutenants gradually to 1000 in proportion as the numbers on the List of Staff Commanders and Navigating Lieutenants fall below the number fixed by Order in Council of 1870, viz., 250, so that eventually the List of Lieutenants shall be 800 for Executive duties and 200 for Navigating duties.

"3. That we be empowered to promote 75 Sub-Lieutenants during the present year without reference to the number on the Lieutenant's List; and in each successive year a number that shall not exceed the number that has been added to the List of Sub-Lieutenants in the previous year

"4. That we be authorised to continue the retirement of Lieutenants on the terms sanctioned in para. 24, Chapter X. of the Order in Council of 22nd February 1870.

"The Lords Commissioners of Your Majesty's Treasury have concurred in these proposals, and we do most humbly submit that Your Majesty will be graciously pleased to sanction the same being carried into effect."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. C. L. PEEL.

At the Court at Windsor,

The 24th day of March 1880.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of March 1880, in the words following, viz.:—

"Whereas Your Majesty was graciously pleased by Order in Council of the 22nd February 1870, Sec. II. Par. 6, to make the following provision as regards Officers of Your Majesty's Navy accepting the Regulations then established, viz.:—

'Captains retired from that rank to be entitled 'to rise by seniority to the rank of Retired Rear 'Admiral if before retirement they had served the 'time to qualify them for promotion,'

thus restricting the reward of Retired Flag Rank to officers qualified for their Active Flag, and whereas under Your Majesty's subsequent Order in Council of the 5th August 1875, all Captains retired from that rank have become entitled to one step in rank by seniority, irrespective of service, the distinction between officers qualified and not qualified for promotion being thereby abolished; We would humbly represent to Your Majesty that we consider the distinction reasonable, and we are of opinion that it is expedient to grant to Captains qualified for promotion a concession proportionate to that conferred by Your Majesty's Order in Council of 5th August 1875, on unqualified officers.

"We would therefore humbly submit that Your Majesty will be pleased to sanction the following provisions, viz.:

"1. Captains who have been or may be retired from that rank (unless retired on account of non-service) to be allowed to rise to the rank of Vice Admiral on the Retired List if before retirement they had or shall have served the time necessary to qualify a Captain for promotion to the Rank of Rear Admiral on the Active List.

"2. Such advancement to be conferred according to seniority, any officer hereby qualified for Rear Admiral's rank, and who has been debarred from rising above the rank of Rear Admiral by the restrictions in the Order in Council of the 22nd February 1870, to date his promotion to Vice Admiral from the day on which he would have been promoted had such restrictions not been in operation.

"3. Promotion not to confer claim to increased Retired Pay."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly. C. L. PEEL.

"And whereas the requisite Powers do not exist to allow Officers so called out to count their time of service towards increase of retired pay.

"We would recommend that Your Majesty may be graciously pleased to establish the following regulations on the subject, viz.:—

"Officers on the Reserved, Retired or Pension List of the Navy, called out for service in time of war or emergency shall count such service as Sea Service as the Lords Commissioners of the Admiralty might determine, according to the rules and usages governing all service under the Admiralty.

"They shall further count such service towards increase of the age at which they were placed on the retired list, but their employment shall not give them a claim to have their Retired Pay assessed upon their age at the time of such employment.

"They shall, however, in no case rise to retired pay or pension exceeding the maximum rate of their rank.

"The Lords Commissioners of Your Majesty's Treasury have concurred in this proposal."

SERVICE ON COMMITTEES, &c.

At the Court at Windsor,

The 18th day of May 1870.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of May 1870, in the words following, viz.:

"Whereas by Your Majesty's Orders in Council of the 22nd February 1870, Your Majesty was pleased to sanction certain proposals for the retirement of the Executive and Civil Officers of Your Majesty's Fleet: Whereas we are of opinion it is desirable that further regulations be laid down on certain points connected with the Scheme of Retirement then sanctioned, we would humbly propose to your Majesty:

"1st. As regards services of Officers on Committees or Commissions of Inquiry in connection with naval matters of importance, we are of opinion that, considering the value of such inquiries, it is but just to allow a certain portion of such service to count as full service as regards Pay, Half-Pay, and Retirement, though not to reckon as service to save Officers from compulsory retirement on account of non-service; we would therefore submit, that we be empowered to allow Officers to count a portion of the time so employed, namely, up to six months on Committees and Commissions, as full time; afterwards as two-thirds of full time; but the maximum addition to what an Officer would have been allowed if all his Committee time had counted as Half-pay time, to be two years.

"2nd. As regards civil employment at or under the Admiralty, we would humbly submit that when an Officer is retired from the Active List on account of age, non-service, or otherwise, and we deem it advisable to retain him in such civil employment, he should continue in receipt of his former emoluments, as though he had remained on the Active List, until he ceases to be in such civil employment, that his retired pay should then be calculated according to the total period of service he may have completed, reckoning his civil employment as service for this purpose.

"3rd. As regards promotion on the Lists of Navigating and Medical Officers, and in the ranks of Paymaster and Chief Engineer, we would submit to Your Majesty, that we be allowed to fill up not more than one in four vacancies which may be caused by Retirement or Promotion consequent on Retirement, until the Lists may be reduced to the numbers authorised by Your Majesty's above-named Orders in Council; and we would beg to point out that provision for making such promotion in the ranks of Captain, Commander, and Lieutenant, was contained in the Order of Council of 22nd of February 1870.

"4th. As regards the promotion on Retirement of Staff Commanders and Paymasters, whereas it is laid down by Your Majesty's Order in Council of 26th July 1867, that Staff Commanders having served 20 years in the ranks of Navigating Lieutenant and Staff Commander shall receive, when retired, the Rank of Retired Captain, and that Officers having served 5 years in those ranks shall retire with the rank of Retired Commander; and by Your Majesty's Order in Council of 9th July 1864, it is laid down that Paymasters who may have completed 20 years' service, including Acting Paymasters' time, and not more than 4 years' time, as Assistant Paymaster, shall be retired with the rank of Paymaster-in-Chief; And whereas Your Majesty's Order in Council of 22nd February 1870, it has been provided as to Commanders and Lieutenants placed on the Retired List that these Officers shall be granted the rank of Retired Captain or Retired Commander only at our discretion; We are of opinion that it will be for the benefit of Your Majesty's Service that similar conditions should be made applicable to the Promotion on Retirement of Staff Commanders and Paymasters, so that these Officers should no longer be entitled to claim the respective ranks of Retired Captain, Retired Commander, or Paymaster-in-Chief, when removed from the Active List, but that such promotion should, in addition to the above-mentioned requirements of service, be granted also by qualifications of good and meritorious conduct. We therefore humbly submit that in future such promotions on Retirement be made at our discretion; and we beg further to represent that, so far as financial arrangements are affected, the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in the above-mentioned proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

QUALIFICATIONS FOR THE RANK OF STAFF CAPTAIN.

ORDER IN COUNCIL, No. 36.—N.

At the Court of Windsor,
The 18th day of March 1880.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 16th of March 1880, in the words following, viz.:—

"Whereas by Article 237 of the Regulations established under Your Majesty's Order in Council of the 4th February 1879, for the Government of Your Majesty's Naval Service, it is provided that 'To qualify a Staff Commander for the rank of Staff Captain he must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbour Master, or he must, with 20 years sea-service as a Commissioned Navigating Officer have performed some special service, the nature of which is to be mentioned in the Gazette;' and whereas the effect of these provisions has been to exclude from advancement to the rank of Staff Captain Officers unable to procure the above-mentioned qualifications but yet deserving, in our opinion, of such promotion. We would humbly submit that Your Majesty will be graciously pleased to cancel the said Article 237, and to substitute the following provisions, viz.:—

"To qualify a Staff Commander for the rank of Staff Captain he must receive an appointment as Master Attendant, Assistant Master Attendant, or Queen's Harbor Master, or he must have completed 15 years sea-service as a commissioned Navigating Officer and have performed such special services as in the opinion of the Admiralty render him deserving of promotion.

"We would represent to Your Majesty that it is not proposed to increase the number of Staff Captains at present authorized, and that consequently no additional expenditure beyond that authorized by the Regulations will be incurred by these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

RETIREMENT OF CHAPLAINS.

At the Court at Osborne, Isle of Wight,
The 5th day of February 1872.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of January 1872, in the words following, viz.:—

"Whereas Your Majesty was pleased, by your Order in Council of 22nd February, 1870, to establish Regulations for the Retirement of Chaplains, and Chaplains-Naval Instructors of Your Majesty's Navy; And whereas we are of opinion that it is expedient, in the interests of Your Majesty's Service, to allow such Officers to cease to serve Your Majesty at a period earlier than that laid down by the Order in Council: and whereas we are also of opinion that the services of Officers, if of a certain duration, should not be recognized: We do therefore most humbly submit for Your Majesty's consideration that Clause 6, paragraph 3, of the said order in Council be cancelled, and that We be authorized to make the following regulations:—

That any Chaplain who obtains from us permission to accept a living, or desires to retire from Her Majesty's Service, may, provided that he has not less than 10 years' service, be retired with pay on the following scales, viz.:—

After 10 Years' Service	..	..	£ 50 per annum.

20 "	..	..	The amount earned

Service under Order in Council of 22nd February 1870.

2. That Chaplains who have less than 10 years' service and accept a living, will be considered as desiring to resign Your Majesty's Service, and will accordingly not be entitled to any pecuniary retiring allowance, or to either Half or Retired Pay. The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein contained; and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

COMPULSORY RETIREMENT FOR MISCONDUCT.

At the Court at Osborne House, Isle of Wight,
The 30th day of December 1884.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 10th day of December 1884, in the words following, viz.:—

"Whereas it has always been considered, as recited in Her Majesty's Order in Council of the 26th October, 1854, that Half Pay is awarded to the Officers of Your Majesty's Fleet on the principle of its being a reward for past service as well as a retaining fee for the future; and Whereas, by certain of your Majesty's Orders in Council, We are empowered in cases where Officers of Your Majesty's Navy have been guilty of misconduct or neglect of duty, or have incapacitated themselves for Active Service by irregular and intemperate conduct, to reduce their half pay and retired pay and pension below the rates to which they would otherwise be entitled by service, and in certain cases to retire Officers compulsorily on account of age, non-service, or physical unfitness; and Whereas We are of opinion that it is advisable to amend in some respects the provisions of the said Orders in Council and to extend in some degree the powers conferred upon Us; We would humbly submit that Your Majesty will be graciously pleased to approve of the undermentioned provisions:—

"1.—An Officer may be placed on the retired list of his rank if—

(*a.*) He is guilty of such repeated acts of misconduct or neglect of duty as in our opinion make him unfit for further active service,

or

(*b.*) He is in our opinion, after careful inquiry, unfit for further active service, through intemperate or irregular conduct or habits,

provided that his retired pay shall in no case exceed the half pay which he was entitled to receive previous to his retirement.

"2.—Sub-Lieutenants, and Assistant Paymasters shall be liable to compulsory retirement under clause 1 of these provisions, Officers so retired shall have no claim to Half Pay or Retired Pay, but shall be eligible to receive, should we see fit to award it, a gratuity not to exceed £25 for each year of service in the rank of Sub-Lieutenant or Assistant Paymaster, nor £250 in the whole.

"3.—The Retired Pay of Engineers and Assistant Engineers is to be liable to reduction in cases of misconduct, in accordance with the provisions of the Order in Council of 22nd February, 1870, sect. X. Par. 6, with respect to Navigating and Civil Officers.

"4. Officers of Coast Guard shall be liable to compulsory retirement under clause 1 of these provisions; also to such reduction of pension as would be applied to Warrant Officers who have been guilty of misconduct.

"5. Nothing in these provisions shall prejudice or affect our power to discharge or dismiss Officers, or to place Officers on reduced rates of half pay, or retired pay, nor give to any person who has been removed from Your Majesty's Service any claim to half pay, retired pay, retiring allowance, or gratuity."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 23rd of October 1878, in the words following, viz.:—

"Whereas by Your Majesty's Order in Council of 30th April 1877, Your Majesty was pleased to sanction the compulsory retirement at the age of 45 years of Officers holding the rank of Engineer:

Order in Council of 18th August 1882.

No. 13.—N.

At the Court at Osborne House, Isle of Wight,

The 18th day of August 1882.

Present:

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 7th of August 1882, in the following, viz.:—

"Whereas, by the provisions of Your Majesty's Order in Council of 22nd February 1870, Sec. X., the retired pay of Chief Engineers, R.N. entered after 25 years of age depends on their service only, instead of on age and service combined as is the case with other Chief Engineers. Whereas the aforesaid Officers do not ordinarily reach the rank of Chief Engineer at a sufficiently early age to allow them, before they are compulsorily retired at 55 years of age, to complete the 11 years' service requisite under Sec. II. Art. 4, and Sec. IX. (note) of the said Order in Council, to enable them to reckon all Junior Service for increase of retired pay, and they, in consequence, receive on retirement only the active half-pay of their rank.

"Whereas we are of opinion that, although the provision adversely affecting these Officers was designed to obviate the possibility of a high scale of retired pay being applicable to them after comparatively short service, yet it was never intended to exclude efficient Officers from all participation in the benefits of the scale of retired pay established by Your Majesty's Order in Council of 22nd February 1870.

"And whereas Engineer Officers will not in future be entered after the age of 25: We beg to recommend that Your Majesty will, by your Order in Council extend Clause 4 of Sec. X. of the Order in Council of 22nd Feb. 1870, so far as relates to Chief Engineers on the Active List on 1st April 1882, in the following manner viz.:—

"Chief Engineers who entered after 25 years of age and who have completed 8 years' service in the rank, shall, on compulsory retirement, if otherwise qualified, be granted an amount of retired pay equal to a rate of half-pay based on the following provision, viz., that all confirmed Junior Service shall be allowed to count for such rate of half-pay irrespective of the provisions of the scale relating to Junior Service in the Order in Council of 22nd February 1870."

the effect of which will be more nearly to assimilate their retired pay with that of Officers similarly situated who entered under 25 years of age.

"We beg to observe that the Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

COMPASSIONATE ALLOWANCES.

No. 67.—C.

At the Court at Windsor,
The 26th day of June 1886.

Present:
The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 23rd day of June 1886, in the words following, viz.:—

"Whereas in reviewing the practice under which the award of Compassionate Allowance to the sons and daughters of deceased Officers of the Royal Navy and Marines who, although over the prescribed age, are incapable through infirmity of earning a living, it appears that the circumstances under which the awards are made differ from those laid down for the award to sons and daughters of deceased Army Officers.

"We do therefore humbly submit that Your Majesty may be pleased by Your Majesty's Order in Council to sanction the assimilation of the practice of the Navy to that of the Army, whereby the grant will be made in those special cases where the sons and daughters of Officers who were not in receipt of allowance when under age are rendered incapable of making adequate exertion for their own support through infirmity dating from a period before the father's death and before the sons and daughters reach the age at which in ordinary circumstances compassionate allowances would cease.

"The Lords Commissioners of Your Majesty's Treasury have signified their consent."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

The QUEEN'S most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 19th of October 1876, in the words and figures following, viz.:—

"Whereas we have had under our consideration certain cases in which Officers of Your Majesty's Naval and Marine forces have been dismissed from Your Majesty's Service by Court-Martial for misconduct, or have been allowed to resign their Commissions to avoid trial by Court-Martial: And whereas such Officers are, in some cases after good service for many years, rendered destitute by being thus deprived of all professional resources: We do therefore humbly submit, that we be empowered at our discretion to grant compassionate allowance from this date, both to such Officers and also to those who may hereafter be so removed from Your Majesty's Naval or Marine Forces, provided that such allowance shall in no instance exceed one-third of the amount of half-pay to which the Officer was entitled to at the time of such removal, and provided also that such allowance shall not in any case exceed 100*l.* per annum.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence with these proposals."

Her Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed.

NAVAL RETIREMENT PREVIOUS TO 1870.

(So far as still in operation.)

FLAG OFFICERS.

1851.

B. Her Majesty, by Her Order in Council of 25th June 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice-Admirals and 51 Rear-Admirals: this reduction will be effected as follows, viz.:—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June 1827. These Officers will receive, as at present, the Half-pay of Rear-Admirals, but they will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers as are either above 70 years of age, or are physically incapable of further Active Service, such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

1886.

1. Compulsory retirement to be extended to all the Executive Lists.
2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.
3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.
4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.
5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his Flag will be considered eligible for the appointments of Vice and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.
6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals . . (But not to be more than three Admirals of the Fleet at one time.)	21
Vice-Admirals	22
Rear-Admirals	42
Total	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above whether they have served or not.

CAPTAINS.

2nd. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

1851.

The number of Captains on the Active List, will be reduced to a number not permanently exceeding 35, and the reductions shall be effected as follows, viz.:—

1st. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

1860.

All Captains who have attained, or shall hereafter attain, the age of 60, without having served in the present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired .	18*s.* per diem.

3. The above system of retirment to be extended to Captains who may have attained the age of 55, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed retire irrespective of age, at the several rates of 18s. or 20s. a day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain a combined period of fifteen years; and, if less than that period of service at the rate of 16s. a day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. These Officers, and also such Officers, as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25s. a day; subject, however, to the proviso contained in paragraph 8.

8. No Officer who was not on the Active List of Captains previously to the 1st of August 1860, to be allowed more than the pay of 20s. a day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July 1864. Those at present on the Active List, who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorised by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25s. a day, in accordance with the Order in Council of 9th July 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

1816.

O. This List consists of the 100 Senior Lieutenants who by age and infirmities are presumed to be incapable of further service, and who are permitted to retire at a pension of 8*s.* 6*d.* a day, with the rank of Commander. Their widows receive a pension of £60 per annum.

1851.

MN The number of Lieutenants on the Active List will be reduced to a number not permanently exceeding 1,200, viz.:

1st. By the promotion of 50 Lieutenants by selection, as above stated.

2nd. By placing on the reserved Half-pay List all Lieutenants who have not served afloat, or in the Packet or Revenue Service, within 20 years, and all such as are physically unable to serve; and by removing from time to time such Officers from the Active to the Reserved Half-pay List, reserving to them, as in the case of Commanders, all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished by Order in Council of August*, 1860.)

1856.

Further, as regards Lieutenants, this Order in Council provides that the Reserved List, consisting of 50 Commanders (established by Order in Council of 25th June, 1851) be increased to 100; such increase to be effected by selecting from the Active List Lieutenants a number not exceeding 15 in the present and in each succeeding year, till the number of 100 is complete, when the vacancies only are to be filled up by selection also from the Active List.

1860.

Lieutenants on the Active List, who have attained or may hereafter attain the age of 60, to be placed on a Retired List with the rank of Retired Commander, and to receive pay according to their Sea Service on the hereimafter-mentioned scale.

Lieutenants on the Active List, who have not been employed, either afloat, in the Coast Guard, in command of Revenue Vessels, or as Mail or Transport Agents within a period of 15 years, to be placed on a Retired List, and to receive pay also on the same scale as hereinafter mentioned. These Officers to be permitted to assume the rank and title of Retired Commander on attaining the age of 60, but without further addition to their Retired Pay.

Lieutenants who are either now on the Reserved or Retired List, or who may be in future Retired under the provisions of the Order in Council of August 1, 1860, and Lieutenants of Greenwich Hospital, to be allowed to assume the rank of Retired Commander on attaining fifteen years' seniority, but without any increase of Half-pay or Widows' Pension beyond that authorised by the Orders in Council under which they were respectively retired.

1866.

Lieutenants to be retired at 55, or when physically unfit for service, and to be allowed to retire at 45, with the consent of the Admiralty, on the terms of the Order in Council of 9th July 1864.

The QUEEN'S Most Excellent Majesty in Council.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 5th day of November 1886, in the words following, viz.:—

"Whereas we have had under our consideration the regulations governing the award of Pensions to Widows of Officers of Your Majesty's Navy and Compassionate Allowances to their children.

PENSIONS AND GRATUITIES TO THE RELATIVES OF OFFICERS.

1. Widows of Officers of the Royal Navy, and the Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table given before, and subject to the following regulations:

2. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. Her Majesty's Orders in Council incresing Rates of Pension, or Compassionate Allowances, are not retrospective in their operation, and only affect the families of such officers as may be on the Active List at the date of such Orders in Council, or subsequently thereto.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of pension to which she would have been entitled if living shall not be allowed to her representatives.

6. The Pensions authorized by these Regulations cannot be claimed as a *Right*;—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—the *ordinary* Pension will not be granted to Widows whose private incomes may exceed the confidential scale which may from time to time be fixed by the Admiralty as the limit for each Rank of Officer,—and the Pensions are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

7. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband married after the age of 60 years, except Chief Gunners, Boatswains and Carpenters, and Warrant Officers pensioned before 1st October, 1875, in whose case the limit of age is 50.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon, provided that he was officially warned that his Widow would thereby forfeit the Pension; or if her husband had been placed on permanent Half-Pay, or on the Retired List, on account of misconduct.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in an immediate act of duty. The Admiralty, may, however, grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, but only if satisfactory evidence is produced to show that the marriage did not take place under any circumstances which would imply that there was any fraud in the transaction, or any improper intention of obtaining the Pension for the Widow; and provided it be clearly shewn that the Officer was in good health when he married, and that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which he had control.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity; but Widows in receipt of Pensions from the Civil List are not deprived of their Naval Pensions on account thereof, and Widows who, in consequence of second marriage, may be eligible for either a Navy or an Army Pension, may elect to receive that which is most advantageous to them.

viii. If her private income exceeds the confidential scale fixed by the Admiralty as the limit for the rank last held by her husband; observing that the Widows of Commanders retired with the rank of Captain, Lieutenants retired with the rank of Commander, and so on, may enjoy the private income applicable to the higher rank without forfeiting their Pensions there

ix. If the marriage took place subsequent to the Officer commuting his Retired Pay, or if the Officer after having commuted, removed his name from the List of the Navy, although the marriage may have taken place before such commutation.

x. If marriage took place after the Officer was removed from the Active List. This regulation will be only applicable to Officers who retired after 1st November 1886.

8. The Pensions of Widows whose private income may, after their Pensions have been awarded, increase beyond the limit fixed from time to time by the Admiralty for the rank last held by their husbands, shall be suspended as long as their private incomes exceed such limit; but may be restored again in the event of their private incomes decreasing within the limit.

9. The Widows of Commissioned Officers (except Chaplains) who shall have married after the 1st November, 1886, are only entitled to the Pensions of their respective classes, in the event of their Husbands having ten complete years' seniority as Commissioned Officers on the Active List, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer has five years' seniority on the Active List, was in good health when he married, and it be clearly shewn that the disease which occasioned his death was not brought on by any misconduct, or by any circumstances over which the Officer himself had control, the Admiralty may award Pensions in such cases as they think proper.

The restrictions as to service on the Active List will not apply to Officers retired before the 10th November 1886, such Officers being allowed to count their time as Commissioned Officers on the Active List served, or Retired Lists as qualifying for eligibility for pension to their widows.

Naval Officers retired before 10th November 1886, and Marine Officers retired before 29th June 1887, are allowed to reckon their time after commutation as part of the 10 years necessary to qualify their widows for pensions, provided they married before commutation.

The Widows of Chief Gunners, Chief Boatswains and Chief Carpenters, are only entitled to the pension applicable to Chief Warrant Officers if their husbands had one year's service; in cases of less than one year's service the rate applicable to Warrant Officers will be awarded.

Pensions are awarded to Widows of Gunners, Boatswains, and Carpenters of one year's service (actual time included), and confirmed in that rank.

10. The Widow of a Chaplain shall not receive a Pension unless her Husband's name was on the List at the time of his death, nor unless she shall have been married during or prior to her Husband's service in the Navy, nor unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served Three Years on Full Pay.

If, however, he had completed Ten Years' Service on Full Pay, a Pension may be granted, although a portion of such service shall have been subsequent to their marriage, provided the Widow is otherwise eligible, and provided as regards Officers retired after 10th November, 1886, that the marriage took place before the Officer left the Active List

11. The Pensions of Widows who shall have re-arried prior to the 31st of December, 1830, shall be id to themselves, and their receipts shall, notwith-anding their coverture, be deemed a sufficient dis-arge for the payment of their Pensions.

12. In all cases of a Widow re-marrying, since 31st ecember, 1830, her Pension shall be suspended from e date of her re-marriage; but, in the event of her ain becoming a Widow, her Pension may be re-ored, upon proof being adduced to the Admiralty at her private income does not exceed the limit ted from time to time by the Admiralty for the nk last held by her husband, and that she is other-ise deserving the Public Bounty, but it will be again ible to suspension during future re-marriage.

If a Widow, in consequence of re-marriage, either fore or after the 31st December, 1830, with a Naval Marine Officer, becomes again eligible for a Pen-on from naval funds, she may either revert to her st Pension, or be granted the Pension for which r second marriage rendered her eligible, whichever most to her advantage.

13. Every Officer, whether on Full, Half, or Retired y, shall,—in order to facilitate the decision upon the aim of his Family, after his decease, to the benefit these Regulations, notify his marriage *within one onth* of its taking place, to the Admiralty, according the Form given.

With respect to marriages contracted in Scot-nd, none will be admitted, for the purposes of these egulations, which cannot be proved either by an xtract of the Register of the Kirk Session, or other gal record of the place in which the marriage shall ave been celebrated,—or by an acknowledgment of a arriage to be transmitted to the Admiralty, made d subscribed by the parties themselves *in Scotland*, presence of a Magistrate, according to the Form iven or a Decreet of Declaration of Marriage.

15. The Widows of Officers on the Reserved and etired Lists are only eligible for the Pension appli-ible to the rank of their husbands at the date when ey were last on the Active List, except in the case Captains retired before the 10th November 1846 lvanced to the rank of Flag Officers, whose Widows e pensioned as the Widows of Flag Officers.

The special rate of pension applicable to the rank of aymaster-in-Chief will be awarded to those Officers' Vidows, the rank being only obtainable on retirement.

16. *Widows of Marine Officers.*

(*a*) *Officers retired before* 29 *June* 1882.

The General Rules for the grant of Pensions to the Vidows of Naval Officers are applicable to the cases f Widows of Marine Officers, except where otherwise ated in these Regulations.

In computing the period on the list of Commissioned fficers necessary to render Widows eligible for ensions, in the case of Marine Officers who have een promoted from the ranks, three years in the anks shall be allowed to reckon as two years in com-ission towards such qualifying period; and if under his rule the time is still insufficient, the Admiralty ay, at their discretion, award a Pension notwith-tanding, provided the actual service in all ranks mounts to the period required in the cases of other fficers.

The Widows of Marine Officers who held Brevet or Honorary Rank on the ACTIVE LIST shall be granted he Pension applicable to that rank. The Widows of Marine Officers who were given an honorary rank on r after retirement shall only be entitled to the Pen-ion applicable to the substantive rank of the Officer when last on the Active List.

(*b*) *Officers retired after* 29 *June* 1882.

The Widows of Marine Officers retired after 29th June, 1882, will be pensioned under the rules govern-ng the award of Pensions to Widows of Officers of Her Majesty's Army.

The Widow of a Warrant Officer who has been killed in action, or who has died of wounds received n action within 12 months of such wounds having been received, or who has died from illness brought on by fatigue, privation, or exposure incident to active operations before an enemy within six months of his having been first certified to be ill, or who shall have completed not less than five years' continuous ser-vice as Warrant Officer at the time of his death shall, provided the Marriage took place before the Warrant Officer attained the age of 45 years, be granted a pension of £20 a year, if the Widow be certified as being left in necessitous circumstances, and subject to the conditions laid down for the pensions of Officers' Widows, so far as they apply.

17. *Widows and Children of Officers killed in Action.*—Gratuities, under the following regulations, shall be allowed, as Her Majesty's Royal Bounty, to the Widows and Orphans of such of the Officers mentioned in Article 1, as may be slain in the Queen's Service, in fight with the enemy, pirates, or smugglers, or in encounters with the ships of friends by mistake, or in quelling disturbances on shore or afloat: and persons dying of their wounds within six months shall be considered as persons slain, viz.:—

i. To a Widow, a Gratuity equal to a year's Full-Pay of the rank which her husband held at the time of his death.

ii. To each Orphan (who shall not be married, nor be of the age of twenty-one at the time of the father's death), one-third of the Gratuity to the Widow; posthumous children shall be considered as orphans.

In the calculation of these Gratuities, the Officer's Command Money and other Full-Pay allowances, except Table Money, shall be included.

18. In the case of an Officer killed in action, or dying from wounds received in action within six months, and not leaving a Widow, but leaving a Daughter or Daughters only, an annual Allowance, equal to the ordinary rate of Widow's Pension may, under special circumstances, be granted, instead of the Compassionate Allowance, to such Daughter or Daughters collectively. Such Allowances may be continued until the Daughter, or the last survivor of them, in case there be more than one, may become disqualified by marriage or otherwise.

19. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Commissioned Officers, may be given in those cases in which the rank of the Officer would render his Widow eligible to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government (except in the case of Boys under the age of eighteen who may be serving as Subordinate Officers in the Navy), and that their pecuniary circumstances, and those of their family, are so limited that they actually require assistance from the Compassionate Fund.

20. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

1st. Children of Officers killed or drowned on duty
2nd. Children of Officers dying from illness contracted in the Service.
3rd. Orphans having neither Father nor Mother.
4th. Children of Officers dying on Foreign Service.
5th. Children of Officers dying on Full-Pay at Home.
6th. Children of Officers dying on Half-pay, and on the Reserved and Retired Lists.

21. The Allowances granted to the *Sons* of Officers may be continued until they attain the *Age of Eighteen* or are otherwise previously provided for; and those to the *Daughters* may be continued until they marry or attain the *Age of Twenty-one*, whichever shall first happen, and no longer; except in very special cases, in which it shall be shown that such Sons or Daughters are afflicted with any mental or bodily infirmity, rendering them incapable of making any exertion for their own support; and that they are still in distressed circumstances.

These allowances may also be awarded in those special cases where the Sons and Daughters of Officers who were not in receipt of allowances when under age, are rendered incapable of making adequate exertion for their own support through infirmity, during such a period before the father's death, and before the Sons and Daughters reached the age at which in ordinary circumstances Compassionate Allowances would cease.

22. Children who are being educated at the expense of Greenwich Hospital may be granted the minimum Compassionate Allowances applicable to their Father's rank, provided real poverty is proved to exist.

Compassionate Allowances may be drawn by Boys serving as Naval Cadets, or in other subordinate capacities in Her Majesty's Service, provided neither they nor their mothers have any private income.

23. All persons alluded to in Article 21 who are in receipt of 30*l.* a-year from other sources, or whose Mothers have been refused Pensions on account of

private income, are considered ineligible for Compassionate Allowances under ordinary circumstances.

24. In the event of a Widow re-marrying, her Children by the first marriage are still eligible for Compassionate Allowances, provided they are otherwise qualified to receive them.

25. Compassionate Allowances are granted for the year commencing 1st January, but are not payable till after the following 1st April.

26. Children who were born after their Fathers commuted their Retired Pay, are not eligible to be placed on the Compassionate List.

27. The aggregate amount of the Allowances to the Family of any Officer shall not exceed, in ordinary cases, the amount of the Half-Pay of his Rank and Seniority at the time of his death. In the case of an Officer whose death is attributable to the Service, the aggregate amount of the Allowances to his Family shall not exceed 100*l.* a year more than the amount of the Half-Pay of his Rank and Seniority at the time of his death.

28. *Mothers.*—When an Officer is killed in action, or killed or drowned on duty, or dies of wounds or injuries received on duty within six months after being injured, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the Mother shall receive a Pension equal to the *ordinary* rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

29. *Sisters.*—Sisters of Officers are not eligible for any Allowance, unless under very special and extraordinary circumstances. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have been killed in action, or killed or drowned on duty, or shall die of wounds or injuries received on duty within six months after being injured, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

PRIZE MONEY.

BY THE QUEEN.
A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Sixteenth Day of May One thousand eight hundred and seventy-one, regulating, according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is, and we do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows, viz.:—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed, that is to say:—

When there is but one flag officer he shall have the entire one-thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one-thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first-class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer, and when ships or vessels under orders from the Lord High Admiral, or from our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessel under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted:—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by, such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our Commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said Commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged over and above the freight, which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

And with reference to the Circular Order of 4th June 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private individuals only.

He will be required to find the time of high water at a given port, to observe and calculate the amplitude of the sun, and to find the error of the ship's compass therefrom, and also the deviation, the variation being given. He must be able to find the daily rate of the chronometer from error observed, and to find the longitude from altitude of the sun by the usual methods. He will be required to find the true bearing of the sun, and the error of the ship's compass from an observed azimuth of the sun, both from an altitude and also from the "Time Azimuth Tables," and with the variation given compute the deviation; to find the latitude from a single altitude of the sun off the meridian; also to ascertain the true bearing of the sun and the ship's position by Sumner's method by projection. THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than in bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept

Eighthly.—It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and s approval shall recommend the grant of the Dec tion.

'HEREAS a Warrant was given under Our Royal 'n Manual, bearing date the 7th of March 1866, in ' 29th year of Our reign, "instituting a new deco- ion to be styled 'The Albert Medal,'" and such 'rrant was in the terms following, that is to say:—

ICTORIA R.

Victoria, by the Grace of God, of the United King- n of Great Britain and Ireland, Queen, Defender of Faith, &c., to all to whom these presents shall ne, greeting:

Whereas We, taking into Our Royal consideration t great loss of life is sustained by reason of ship- cks and other perils of the sea; and taking also consideration the many daring and heroic actions formed by mariners and others to prevent such and to save the lives of those who are in danger perishing by reason of wrecks and perils of the ; and taking also into consideration the expediency listinguishing such efforts by some mark of Our al favour:

Now for the purpose of attaining an end so desir- e as that of rewarding such actions as aforesaid, have instituted and created, and by these presents Us, Our heirs and successors, institute and create, ew Decoration, which We are desirous should be hly prized and eagerly sought after, and are ciously pleased to make, ordain, and establish the owing rules and ordinances for the government of same, which shall from henceforth be inviolably erved and kept.

First.—It is ordained that the distinction shall be led '*The Albert Medal*,' and shall consist of a gold l-shaped badge or decoration enamelled in dark e, with a Monogram composed of the letters V. and interlaced with an Anchor erect in gold, surrounded h a Garter in bronze, inscribed in raised letters of i, 'For Gallantry in Saving Life at Sea,' and sur- nted by a representation of the Crown of His al Highness the lamented Prince Consort, and pended from a dark blue riband of five-eighths of nch in width with two white longitudinal stripes.

Secondly.—It is ordained, that the Medal shall be pended from the left breast.

Fifthly.—It is ordained, that the Medal shall only awarded to those, who, after the date of this rument, have, in saving or endeavouring to save lives of others from shipwreck or other peril of sea, endangered their own lives, and that such rd shall be made only on a recommendation to Us he President of the Board of Trade.

Sixthly.—In order to make such additional provi- as shall effectually preserve pure this most ourable Distinction, it is ordained, that if any son on whom such Distinction is conferred be lty of any crime or disgraceful conduct which in judgment disqualifies him for the said Decoration, name shall forthwith be erased from the registry ndividuals upon whom the said Decoration shall e been conferred by an especial Warrant under Royal Sign Manual, and his Medal shall be for- ed. And every person to whom the said Medal is n, shall, before receiving the same, enter into an agement to return the same if his name shall be rased as aforesaid under this regulation. It is by further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And Whereas a Warrant was given under Our Royal Sign Manual, bearing date the 12th day of April 1867, in the 30th year of Our reign, instituted a Warrant revoking a Warrant dated the 7th day of March 1866, instituting a new Decoration to be styled "*The Albert Medal*," and instituting in lieu thereof two new Decorations, to be styled respectively "*The Albert Medal of the First Class*," and "*The Albert Medal of the Second Class*:"

And whereas the Warrant of the 12th day of April 1867, after reciting the said Warrant of the 7th day of March 1866, proceeded as follows:

"And whereas it has been represented to Us, that mariners and others perform many acts in preventing loss of life from shipwreck and other perils of the sea, that are not of a character sufficiently daring and heroic to bring them under Our warrant, above cited, and are yet worthy of some distinguishing mark of Our Royal favour. And whereas We, taking into our consideration that it is expedient to reward such mariners and others who perform heroic actions to prevent loss of life from shipwreck and other perils of the sea, are pleased, in place of the Decoration created by Our Warrant of the 7th March 1866, to institute and create two Decorations, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept.

"First.—It is ordained, that one of the said two Decorations shall be styled "*The Albert Medal of the First Class*," and shall consist of a gold oval-shaped Badge or Decoration, enamelled in dark blue, with a Monogram composed of the letters V. and A., interlaced with an Anchor erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, 'For Gallantry in Saving Life at Sea,' and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of an inch and three-eighths in width, with four white longitudinal stripes.

"Secondly.—It is ordained, that the other of the two Distinctions shall be styled '*The Albert Medal of the Second Class*,' and shall consist of the like-shaped enamelled Badge, save and except in this Class it shall be entirely worked in bronze, instead of gold and bronze, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

"It is ordained that each Medal shall be suspended from the left breast.

"Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer either of these Decorations shall be published in the 'London Gazette,' and a registry thereof kept in the Office of the Board of Trade.

"Fourthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

"Fifthly.—It is ordained, that the Medals shall only be awarded to those who, after the date of the said Warrant of the 7th March 1866, have in saving or endeavouring to save the lives of others from ship wreck or other peril of the sea, endangered their own lives, and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

"Sixthly.—It is ordained, that *The Albert Medal of the First Class* shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* should be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

"Seventhly.—In order to make such additional provision as shall effectually preserve pure this most honourable Distinction, it is ordained, that if any person on whom such Distinction is conferred be guilty of any crime or disgraceful conduct which in

Our judgment disqualifies him for the said Decorations, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared, that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to restore such persons as may at any time have been expelled to the enjoyment of the Decoration."

And whereas it has been represented to Us, that many heroic acts are performed on land within Our dominions in preventing loss of life from accidents in mines, on railways, and at fires, and other perils on shore:—

"And whereas, We, taking into Our consideration that it is expedient to reward such of Our faithful subjects and others who perform such heroic acts are graciously pleased to extend the two Decorations styled respectively '*The Albert Medal of the First Class*' and '*The Albert Medal of the Second Class*' to cases of Gallantry in saving life on land; and for the exclusive government of the same, when conferred in such cases, but not otherwise, We are pleased to make, ordain, and establish the following Rules and Ordinances which shall from henceforth be inviolably observed and kept.

First.—It is ordained that "*The Albert Medal of the First Class*," when conferred for Gallantry in saving life on land, shall consist of a gold oval-shaped Badge or Decoration, enamelled in crimson, with a Monogram composed of the letters V. and A., erect in gold, surrounded with a Garter in bronze, inscribed in raised letters of gold, "For Gallantry in Saving Life on Land," and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort, and suspended from a crimson riband of an inch and three-eighths in width, with four white longitudinal stripes.

Secondly.—It is ordained, that "*The Albert Medal of the Second Class*," when conferred for Gallantry in saving life on land shall consist of the like badge, save and except that it shall be entirely worked in bronze instead of gold and bronze, and shall be suspended from a crimson riband of five-eighths of an inch in width, with two white longitudinal stripes.

Thirdly.—It is ordained, that each Medal shall be suspended from the left breast.

Fourthly.—It is ordained, that the names of those upon whom We may be pleased to confer either of these decorations shall be published in the "London Gazette," and a register thereof kept in the Office of one of Our Principal Secretaries of State.

Fifthly.—It is ordained, that anyone who, after having received either of the Medals, again performs an act which, if he had not received such Medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended; and for every such additional act an additional bar may be added.

Sixthly.—It is ordained that the Medals shall only be awarded to those who, in saving or endeavouring to save the lives of others from accidents in mines, on railways, or at fires, or other peril within Our dominions, other than perils of the sea, have endangered their own lives, and that such award shall be made only on a recommendation to Us by the First Lord of Our Treasury.

Seventhly.—It is ordained, that *The Albert Medal of the First Class* for Gallantry in Saving Life on Land shall be confined to cases of extreme and heroic daring, and that *The Albert Medal of the Second Class* for Gallantry in Saving Life on Land shall be given in cases which, though falling within the cases contemplated by this Warrant, are not sufficiently distinguished to deserve *The Albert Medal of the First Class*.

Eighthly.—In order to make such additional provision as shall effectually preserve pure these most honourable Decorations, it is ordained that, if any person on whom either of such Decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial Warrant under Our Royal Sign Manual, be forthwith erased from the register of those upon whom the said Decoration shall have been conferred, and his Medal shall be forfeited. And every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the Decoration.

R. (Medal Recommended), and after ears of such Very Good character, the Captain will ke manner add the letters G. R. (Gratuity Recom-ided).

Exemplary is in all cases to be considered as ivalent to Very Good for Medal and Gratuity poses.

Whenever the Captain sees fit to withhold the re-ed recommendations he will record fully his on in the Conduct Book.

The character given to a man in such portion of er-age service as does not reckon for pension has ffect on his claim to Medal and Gratuity.

A break in service caused by a man being in-ded will not be considered as breaking the con-ity of his Very Good character, or of recommenda-s for Medal or Gratuity, provided he rejoins as as the state of his health will admit and com-es the required service.

Desertion, reduction to the second class for con-, imprisonment, or the award of character less Good during any portion of the time which ons for pension, shall render a man absolutely gible for Medal or Gratuity, except as provided n clauses 10, 11, and 12.

Imprisonment by the Civil Power shall not pre-e a man's claim to the Medal or Gratuity, unless all have been so directed by the Admiralty, if the was serving at home at the time, or, if abroad, by Commander-in-Chief.

In order not entirely to exclude from the honour Medal a man who may have committed himself in arly years of his service reckoning for Pension, who may have since become a Very Good acter, the Admiralty, will consider (with reference e grant of a Medal without Gratuity) the case of man who can show 15 years of continuous Very character, and who has been recommended as cribed in clause 3, (*b*), of this Article, notwithling anything he may have done, or any character h may have been awarded to him, except Bad or ferent, in his previous service.

12. The Admiralty will also consider the case of any man who would be excluded under the foregoing Regulations, but who may be specially recommended on account of his having shown highly Exemplary conduct in action, or otherwise ; in such cases, however, a Gratuity will not be awarded.

13. The scale for Gratuities shall be as follows :—

	£
Chief Petty Officers, having served as Chief and First Class Petty Officers for not less than 10 years..	20
First Class Petty Officers, having served as such for not less than 10 years ..	15

Leading Seamen, having served as such for not less than five years..	7
Able Seamen, and others	5

Gratuities will not be given to men who serve after being pensioned.

14. In cases where the man recommended may not have served the full period to entitle him to the Gratuity appplicable to his rating, he shall receive such lower rate with reference to his combined service in several capacities, as may, in the opinion of the Admiralty, be proper to award him.

15. Lists of men recommended for Medals and Gratuities are to be transmitted to the Admiralty, in the established form by the Commanders-in-Chief and Senior Officers at Home and Abroad, and the District Captains of Coast Guard, as soon as the men become eligible for them, and when the approval of the Admiralty has been received, the Medals and Gratuities are, when possible, to be presented before the Ship's Company by the Captain of the ship. A complete history of Badges, showing the dates of award, deprivation, and restoration, must be given on the copies of certificate sent into Office.

16. If, pending the presentation of the Medal, the man's conduct has not been satisfactory, it is to be withheld, and the particulars of the case reported to the Admiralty.

17. It must be distinctly understood that Medals are only granted on the condition that the recipients continue to serve for Long-Service Pension, unless invalided ; and that, in the event of a man who has been granted a Medal declining to go on serving to complete such time, he shall surrender the Medal on his discharge, unless he has completed fifteen years of service, reckoning for pension, in which case he may retain it.

18. If it is desired that men who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

19. In the case of men in the Service before the 1st of July 1876, previous Very Good character will be allowed to reckon for Medal and Gratuity, provided their conduct had been such as to render them deserving thereof under these Regulations.

20. Between the 1st of July 1876 and 30th June 1880 inclusive, Exemplary character only will reckon towards Medals and Gratuities, and not Very Good.

21. These Regulations apply to the Coast Guard Afloat and on Shore.

676*a*. A Good Conduct Medal will be awarded to any man entered for Continuous or Non-Continuous Service after the 31st of December 1884, provided he serves for 15 years with continuous Very Good character, subject to the conditions stated in Clause 2, and provided he has been recommended for the award by his Captain, on his Certificate, for the three consecutive years immediately preceding his application, and is also recommended by the Captain under whom he is serving when he becomes eligible.

This applies to all boys who were under training, and all boys who were under the age of 18, on the 31st December 1884.

2. Desertion and Reduction to the Second Class for Conduct (except one reduction within the first five years of man's time, provided restoration takes place, within eight months, in consequence of continued good conduct for six months from the date of reduction, under the provisions of Clause 9 of Article **699**) will render a man absolutely ineligible for the award of a Good Conduct Medal, except as provided for in the following Clause.

3. While 15 consecutive years of Very Good character, with previous character not inferior to Good, in service reckoning for Pension, will thus be necessary to entitle a man to a Good Conduct Medal, the

Admiralty will nevertheless consider any recommendation which may be made, under special circumstances, on behalf of a man who can show 15 years of continuous Very Good character, although he may be disqualified under Clause 2 for the award of a Medal under the ordinary Regulations.

4. After a man has been awarded 12 years of such continuous Very Good character as will, under these Regulations, count towards the Medal, the Captain is, if the man continues to be Very Good, and if he considers him deserving thereof, to enter in the column provided for the purpose whenever he is required to assess the man's character on his Certificate under Article 723 the letters M. G. R. (Medal and Gratuity Recommended) in the case of a Continuous Service Man, and the letters M. R. (Medal Recommended) in the case of a Continuous Service man. When the assessment is entered on the Conduct Sheet, and not on the Certificate, the letters M. G. R. or M. R. are to be entered thereon.

5. Clauses 6 to 10, and 15 to 18, inclusive of Article 676* will be applicable to men who enter after the 31st of December 1884.

6. From the date of the award or restoration of a Medal a Continuous Service Man, provided his character is maintained, will commence earning a Gratuity at the rate of 1*l.* a year, not to be paid until pensioned, unless he is invalided in the meantime, when he will be paid the proportion due, viz.:—

	£
If discharged after 1 year from date of award or restoration of Medal	1
" " 2 years " " "	"
" " 3 years " " "	"

and so on.

To this will be added for each year's service in the following ratings after the date of the award of the Medal:—

Chief and 1st Class Petty Officer ..	2	0	0
2nd Class Petty Officer	1	0	0

Chief and 1st Class Petty Officer ..	15	0	0
2nd Class Petty Officer	10	0	0
Leading Seaman..	7	10	0

7. If a man is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity, viz., 5*l.*, will be awarded.

8. If, after the grant of a Medal, a man is awarded the character of Good, instead of Very Good, the period of service during which the character of Good is awarded will not count for increase of Gratuity, notwithstanding that the Medal has not been taken away.

9. In cases where men who have completed time for pension re-engage for a further period of five or seven years, and are not at the time of re-engaging entitled to the maximum Gratuity, such further service may count towards it, provided they in all respects comply with the regulations.

10. If a man is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he is then entitled by service.

11. If a man dies after the award of his medal, any Gratuity to which he may be entitled will be paid to his widow, or next of kin if dependent upon him.

12. Any man voluntarily quitting the Service before being entitled to a pension will not be entitled to a Gratuity.

13. The foregoing regulations for the award of Good Conduct Medals and Gratuities apply to the Coast Guard Afloat and on Shore.

§ IV. GOOD CONDUCT MEDALS AND GRATUITIES. MARINES.

edal, the man will be considered in regard to
ension as in possession of the Medal.

16. A Marine may be deprived of his Medal without
eing deprived of any Good Conduct Badge; and it is
ft to the discretion of the Captain or the Com-
andant to take away one Badge without depriving
Marine of his Medal.

If a Badge is taken away without loss of Medal, the
edal is not to be worn until the Badge is regained.

If the Badge is not regained within 12 months from
he date of deprivation the Medal is absolutely for-
eited, and the deprivation is to take place publicly.

If two or more Badges are taken away, and not one
ly, or if a Marine loses a second Badge, his Medal is
bsolutely forfeited, and the deprivation is to take
lace publicly.

17. The Good Conduct Medal of a Marine which
as been forfeited for misconduct under any of the
regoing clauses may, with the sanction of the
dmiralty, be restored on the completion of his time
r Pension, provided his character during the last
e years of his service has been Very Good.

18. Notations on Parchment Certificates are to be
ade in all cases of suspension and restoration of
edal in consequence of the loss of a Badge; and also
all cases of absolute forfeiture.

19. The scale for Gratuities for Marines enlisted
fore 1st January 1885 shall be as follows:—

	£
Non-commissioned Officers in Class 1, Art. 1,147, having served as Staff-Sergeants and Sergeants of Royal Marines for not less than 10 years - - - - -	20
Sergeants in Classes II., III., and IV., Art. 1,147, having served as such for not less than 10 years- - - - -	15
Corporals and Bombardiers, having served as such for not less than 7 years - -	10
Gunners, Privates, Musicians, and Buglers	5

Gratuities will not be given to Marines who serve
ter being pensioned.

20. In cases where the Marine recommended may not
ve served the full period to entitle him to the
atuity applicable to his rank, he shall receive such
wer rate, with reference to his combined service in
veral capacities, as may, in the opinion of the
dmiralty, be proper to award him.

21. Lists of Marines recommended for Medals and
atuities are to be transmitted to the Admiralty, in
e established form, by the Commanders-in-Chief and
nior Officers at Home and Abroad, and the Com-
ndants of Royal Marines, through the Deputy
jutant-General, as soon as the Marines become
gible for them; and when the approval of the
dmiralty has been received, the Medals and
atuities are to be presented before the Ship's
mpany by the Captain of the Ship, and in the case of
arines on shore, by the Commandants on parade. A
mplete history of Badges, showing the dates of
ward, deprivation, and restoration, must be given on
e Copies of Certificates sent into office.

22. If, pending the presentation of the Meda, the
arine's conduct has not been satisfactory, it is to be
thheld, and the particulars of the case reported to
e Admiralty.

23. It must be distinctly understood that Medals are
ly granted on the condition that the recipients con-
nue to serve for Long-Service Pension, unless
valided; and that, in the event of a Marine who has
en granted a Medal declining to go on serving to
mplete such time, he shall surrender the Medal on
s discharge, unless he has completed 15 years of
rvice reckoning for Pension, in which case he may
ain it. A Warrant Officer may keep and wear the Medal for Long Service and Good Conduct granted to him before promotion.

24. If it is desired that Marines who have received Medals should also be given Gratuities, separate application must be made for the latter on the men being recommended for Pension.

25. In the case of a man who has served in the Army prior to joining the Royal Marines, and whose former (Army) service after 18 years of age is allowed to reckon towards Naval Pension, only such portion of his Army Service will be allowed as qualifying service for a Good Conduct Medal and Gratuity as would be admitted if the service had been rendered in the Royal Marines instead of in the Army; in determining which, regard must be had to his "Register of Service" in the Army, as well as to the character awarded to him on discharge therefrom.

Men who join from the Army must be recommended for Medals and Gratuities for three consecutive years after entry in the Marines before becoming eligible for the award in accordance with clauses 2 and 3.

26. In the case of Marines in the Service before the 1st July 1876, previous Very Good character, will be allowed to reckon for the Medal and the Gratuity, provided their conduct has been such as to render them deserving thereof under these regulations.

27. Between the 1st July 1876 and 30th June 1880 inclusive, Exemplary Character only will reckon towards Medal and Gratuity and not Very Good.

1,137A. A Good Conduct Medal will be awarded to any Marine below the rank of Warrant Officer enlisted after the 31st of December 1884, provided he serves for 15 years with continuous Very Good character, subject to the conditions stated in Clause 2, and provided he has been recommended for the award by the Captain of his Ship, or Commandant of his Division, on the Certificate, for the three consecutive years immediately preceding his application, and is also recommended by the Captain of the Ship, or Commandant of the Division, under whom he is serving when he becomes eligible.

This applies to all Marines who were under the age of 18 on the 31st December 1884.

2. Desertion and Reduction to the Second Class for Conduct (except one reduction within the first five years of man's time provided restoration takes place within 8 months in consequence of continued good conduct for 6 months from the date of reduction under the provisions of Clause 9 of Art. 699) will render a man absolutely ineligible for the award of a Good Conduct Medal, except as provided for in the following clause.

3. While 15 consecutive years of Very Good character, with previous character not inferior to Good in service reckoning for Pension, will thus be necessary to entitle a Marine to a Good Conduct Medal, the Admiralty will nevertheless consider any recommendation which may be made, under special circumstances, on behalf of a Marine who can show 15 years of continuous Very Good character, although he may be disqualified under Clause 2 for the award of a Medal under the ordinary regulations.

4. After a Marine has been awarded 12 years of such continuous Very Good character as will, under these Regulations, count towards the Medal, the Captain of his Ship, or the Commandant of his division, is, if the Marine continues to be Very Good, and he considers him deserving thereof, to enter in the column provided for the purpose, whenever he is required to assess the man's character on his Certificate under Art. 723, the letters M.G.R. (Medal and Gratuity Recommended).

When the assessment is entered on the Conduct Sheet, and not on the Certificate, the letters M.G.R. are to be entered thereon.

5. Clauses 6 to 10, 13 to 18, and 21 to 25, inclusive, of Art. 1,137, will be applicable to Marines who enter after the 31st of December 1884.

6. From the date of the award or restoration of a Medal, a Marine, provided his character is maintained, will commence earning a Gratuity at the rate of 1l. a year, not to be paid until pensioned, unless he is invalided in the meantime, when he will be paid the proportion due, viz.:—

	£
If discharged after 1 year from date of award or restoration of Medal	1
„ 2 years „ „	2
„ 3 years „ „	3

and so on.

Digitized by Google

To this will be added for each year's service in the following Ranks after the date of the award of the Medal:—

	£	s.	d.
Non-commissioned Officer in Class I. -	2	0	0
Sergeant in Classes II., III., and IV. -	1	0	0
Corporal and Bombardier - - - -	0	10	0

until the maximum is reached, which will be, for a—

Non-commissioned Officer in Class I. -	15	0	0
Sergeant in Classes II., III., and IV. -	10	0	0
Corporal and Bombardier - - - -	7	10	0
Gunner, Private, Musician and Bugler -	5	0	0

7. If a Marine is deprived of his Medal, he will lose all claim to Gratuity, but in the event of the Medal being restored before he is pensioned, not more than the lowest scale of Gratuity viz. 5*l.* will be awarded.

8. If, after the grant of a Medal, a Marine is awarded the character of Good, instead of Very Good, the period of service during which the character of Good is awarded, will not count for increase of Gratuity notwithstanding that the Medal has not been taken away.

9. If a Marine is invalided after having been awarded the Medal, and before completion of the full time for pension, he will be awarded the amount of Gratuity to which he is then entitled by service.

10. If a Marine dies after the award of his Medal any Gratuity to which he may be entitled may be paid to his widow, or next of kin if dependent upon him.

11. Any Marine voluntarily quitting the Service before being entitled to a pension will not be entitled to a Gratuity.

4. *Nature and Extent of Privileges.*

In British Columbia (Mainland) a certain quantity of nd is granted in lieu of remission of purchase money. the other above-named Colonies, land must be purased under the land regulations for the time being force in the Colony, and a certain amount of the rchase money is then remitted. These allowances e regulated by the rank and length of Service of the ficer as shown in the following scales, viz.:—

	Acres.
Field Officers of 25 years' service, in the whole	600
Field Officers of 20 " "	500

Naval Officers receive allowances corresponding th their relative rank to Officers in the army as escribed in Her Majesty's Order in Council of 11th ne, 1863.

5. *Memorandum of Rank and Service.*

Any Officer desirous of availing himself of these privileges must obtain a Memorandum, if a Naval man, from the Lords Commissioners of the Admiralty, and if a Military man, from the Office of the General Commanding-in-Chief specifying his rank, length of service, and date of retirement. This document will not be issued more than once to the same Officer; and it must, within one year from the date of the Officer's retirement, be presented to the Governor of one of the above-named Colonies, otherwise the Officer will not be entitled to any land privileges in the Colony.

No document from the Office of the Secretary of State is necessary.

6. *Location Ticket.*

As the sole object of the Regulations is to encourage *bonâ fide* settlement of Naval and Military Officers in the Colony, an Officer, on presentation of his Memorandum of Rank and Service to the Governor, will receive in the first instance a Location Ticket only, for the land which in British Columbia he may obtain, or which in either of the other Colonies he may have purchased to the extent of his remission money.

7. *Crown Grant.*

At the expiration of two years from the date of such Location Ticket, the Officer, on paying the customary survey and other fees, will receive in exchange for it a Crown Grant, provided he can show to the satisfaction of the Governor, but not otherwise, that he is a *bonâ fide* settler in the Colony, and has not only continuously resided therein since the receipt of his Location Ticket, but that he has resided on the land described in it for such length of time, and made substantial and permanent improvements thereon of such description and value as the Governor may have prescribed in any general notice published by his authority in the Government Gazette of the Colony.

N.B.—The term of residence and the extent of improvements at present required are as follow:—

In British Columbia, that the Officer or his family shall reside continuously on the land for two years, and build a house and make improvements.

8. *Lapse of Claim of Crown Grant not applied for in time*

If application should not be made for a Crown Grant in exchange for the Location Ticket within a twelvemonth from the expiration of the two years for which it was issued, the Officer's claim will be considered as extinguished, and the land will absolutely revert to the Crown.

9. *Land not transferable until Grant issued.*

No transfer of the land will be allowed or be valid until a Crown Grant thereof has been obtained.

10. *Provision in case of Death.*

But if an Officer has obtained a Memorandum of Rank and Service and dies before he can obtain a Location Ticket the Governor of the Colony is authorized to make the Memorandum available, as he may think proper, in favour of a child or children or other nearest representative of the deceased, who will then become entitled to the same rights and be subject to the same conditions as attached to the deceased. In case an Officer dies after the Location Ticket has been obtained, the land to which it refers will be granted to his legal representative.

11. *Permanence of the Regulations cannot be guaranteed.*

As the land regulations in the above named Colonies are liable at any time to be altered, Her Majesty's Government cannot guarantee the permanence of these regulations—nor can the amount of remission in purchase money made to Officers be increased on account of any increased value which may at any time be set up upon the Crown lands in the Colony.
